

Louisiana 4-H clubs make your school a better place through projects and educational programs.

**Cool at School**

### **Smart Bodies**

Learn about health and nutrition as you tour through the body, and learn about the parts of your body through this partnership with Blue Cross and Blue Shield of Louisiana.

### **School Gardening**

Make your school not only a healthier, but a better place to be with a school garden. Ask your 4-H agent how your school can get things growing!

### **Youth Wetlands Week**

Learn about Louisiana's lost wetlands and become an advocate by participating in wetland restoration and other exciting projects to help our coastline
