GENERAL RECORD BOOK GUIDELINES

It is suggested that a copy of the record book be made for use as a “work copy” also known as a sloppy copy. Records may then be transferred into this book for a “Final Copy.”

1. Your Record Book should begin when you purchase your animal.
2. *Only one project may be included in each Record Book. If you are having more than one project in this fair, you must have a separate Record Book for each project.* Non-Market Record Books can have multiple animals of the same species.
3. Always double-check your work, especially math calculations.
4. Record books should start no later than the following for each animal species: December 31st – Beef Breeding, December 15th – Dairy Goat, January 1st – Rabbit/Poultry

RECORD BOOK REQUIREMENTS

Record Books that do not meet these requirements will be disqualified.

1. Place the Record Book inside the prongs of a 2-prong or 3-prong folder. No 3-ring binders or page protectors.
2. Record Books **MUST** be labeled on the top right part of the folder to include the exhibitor’s name, age division, and animal species.
3. Your final Record Book will be **handwritten in pencil** by the exhibitor. No computerized books will be accepted.

GOALS

Choose several goals for your project. Goals should be established at the beginning of your project. They should be challenging, yet attainable. Goals should include all aspects of your project. At the close of the project, the achievements should be compared with your goals.

- Raise my animal(s) to completion and exhibit at the fair.
- Have my animal(s) meet Have my animal(s) meet the adopted standards for the breed and variety.
- Learn how to groom and clip my project animal(s).
- Take full responsibility for fitting and showing of my animal(s).
- Complete my record book to the best of my ability.
- Market my project in a professional manner.
- Complete a demonstration or presentation on my project.

Animal Project Inventory

List all animals you own at the beginning of the project and add any animals you purchase, or animal(s) born during the project year. Animals sold during the year should be recorded under OTHER INCOME. Animals sold should have a \$0 value at the end of the project for this page.

***Beginning Value \$:** Value of existing animals at the beginning of the project OR purchase cost of new animals OR value of animal(s) born.

Ending Value \$: Your animal value should increase and is an estimated value.
