Buyer Information

Lake County Fair Junior Livestock & Metal Fab, Auction is a Terminal Sale. If bidding on an animal, the winning bidder will be responsible to choose one of 3 options.

SALE FORMAT: Fair will determine the starting price per pound, which will be multiplied by the animal weight. This results in the base price per head ("floor price"), which will be listed in the sale catalog for each animal. The auction of the animal will begin at this price. Any amount buyers bid over that amount will be considered the "premium". The total of the floor price plus the premium amount bid is the amount the 4-H/FFA member receives.

BUYERS have THREE OPTIONS when purchasing/donating money toward the 4-H or FFA member's project.

1. Purchase - Pay the full price and have the animal sent to one of three meat locker companies for cut & wrap. Additional packaging fees are due to the respective Locker.

DISPOSITION CHOICE: Bud's Meats, Sonoma Meat or Willowside

2. Resale- In this case, the buyer will pay the difference of resale price and final bid price. Resale prices will be posted prior to the sale. In this case, the locker purchases the animal for resale value and keeps the meat. Buyer will NOT receive any meat. Pay only amount bid over the resale price For RESALE Hogs, Lambs and Goats ONLY.

DISPOSITION CHOICE = BUYBACK

3. Donation (Add-On) Any amount can be added to a lot (any specific kid you choose). Call the fair office 707-263-6181 for Proxy Bidding (we bid for you), for Add-On for your specific kid, or Pool-Bidding to bump the average for all kids.

If you choose Option 1 your purchased animal will be to the locker the week following the sale. Processing is selected by Junior Livestock and is \$200 for Steers, \$95.00 Hogs, \$65.00 Lambs/Goats, and \$45 Rabbit pens.

Please note if you are the winning bidder, you will receive an email from StockShowAuctions.com asking how you would like to dispose of the animal. You will need to make your disposition choice by 10:00 PM Sunday, September 6, 2020, RIGHT AFTER AUCTION CLOSE. If you know ahead of time, please call the fair office. If no contact, fair will choose.

The buyer will be responsible to contact the locker with the cut & wrap price and instructions (not included in processing fee)
