

Pen Sponsorship Opportunity!

Every summer the Lake County Fair rents junior livestock pens, between the trucking and pen rental cost the Junior Livestock Committee pays over **\$3,500 every year**. Our goal is to purchase our own pens before the 2019 Lake County Fair!

But we need YOU! Here is how you can help; we need 200 pen sponsors. Each pen sponsorship is \$300 which will cover the pen, your dedicated engraving and a pen sponsor banner that will be hung annually at the fair.
