USCG Auxiliary honors River Winds Landing for promoting boating safety

LAKE MURRAY, SC – The Lake Murray U.S. Coast Guard Auxiliary recognized River Winds Landing for supporting recreational boating safety on Lake Murray by providing important boating safety information, brochures and safety alerts at its business location for area boaters. Left: Clay Goodwin, Flotilla Vice Commander, and Barbara Burchfield, District Staff Officer-Program Visitors, presented River Winds Manager Dale Price with a framed certificate of appreciation and a USCG Auxiliary Lake Murray coffee mug at the River Gone Wild festival on Saturday, April 13.
