

Leasing Rule

Below is the leasing rule that was formulated and agreed upon by the subcommittee that was formed at WAF. Please let me know if you have any questions.

A youth exhibitor may be allowed to lease a dog and or horse for show purposes when there is proper documentation (signed lease agreement) that the animal is in the *care and or possession of the specific exhibitor (one) that will be showing said animal for the project year. Documentation proving ownership and a lease agreement may be requested at any time. All lease agreements must be dated on or before ownership deadlines as set forth.

- Dogs- May 1st of current year
- Horses- May 1st of current year

*Definition- Care or possession of- daily needs of the animal are met by exhibiting exhibitor. This includes but not limited to the animals welfare and physical needs.
