Dear Latah County Livestock Auction Buyers,

Due to the recent challenges of hosting public events, the Latah County Livestock Market Animal Sale has elected to change the format of the 2020 Livestock Auction. The great news is that our 4-H and FFA Exhibitors will be allowed to participate in this year's Livestock Show and Sale, however the livestock show will be closed to the public in order to keep everyone involved safe and healthy. With this in mind, our committee has elected to hold **a virtual auction this year.**

The virtual auction will consist of an "Ebay" style bidding process for each exhibitor. It will not be a live auction. Buyers will have the opportunity to begin the bid process over a 26-hour period. Add-on support will also be available before, during and after the sale.

The first step is to **pre-register as a buyer.** Please visit the Latah County Fair Website for detailed information, along with "how to" PDF instructions and links to the registration website.

Click on the **Buyer Registration Link** where you will be directed to the registration page.

- Click on the Login button at the top right of the screen.
- Select Buyer and click on the "I am a new buyer" box.
- You will then be prompted to add information about yourself/business.
- Buyer Name: this is the Business name (if applicable)
- Contact Name: Authorized buyer
- Be sure to include a valid email address and cell phone number, this will allow you to receive live updates while the auction is open.
- Save your login information that is created, as you will need this the day of the auction!

Attached is additional information about the sale, please check your email and mailbox regularly for updates, as well as the Latah County Fair Website.

Thank you for making the 2020 sale year a success for our local 4-H and FFA youth. Your support is greatly appreciated.

Sincerely,
