For Immediate Release

Modifications for the 2020 Latah County Fair.

The Latah County Fair Board is continuing to plan for the Latah County Fair, September 17-20, 2020. The 2020 Fair will not look like prior fairs, as both programming and layouts will be heavily modified to promote social distancing and other safety guidelines as our community continues to deal with COVID-19.

This is a summary of the changes that have been made to date, more changes made be made at future Fair Board meetings, to meet updated safety guidelines.

- There will not be a carnival at the 2020 Fair. The carnival area will be used for exhibitor camper parking
- The Poetry and the Great Outdoors competitive exhibit shows have been canceled
- The exhibit building will have a different layout, and expanded check-in and exhibit pick-up time frames, for static exhibits
- The Commercial Vendor building will have an adjusted layout and fewer booth spaces
- The Latah Railway model train rooms will not be open
- All livestock barns will be closed to the public while the animal shows are taking place
- The livestock auction will be held outside, at the west arena area
- Face coverings will be required, for both public and exhibitors, while on the Fairgrounds during the Fair.

More detailed information about these and other changes to the 2020 Latah County Fair will be posted online at <https://www.latahcountyfair.com/p/fair> as information becomes available.

The Latah County Fair Board is scheduled to meet again on July 20, 2020.
