Planning/ GIS

Section 3

Total	Activity	Description
1	GIS Data Requests	Mostly request for parcel ownership in Lea County
0	Planning & Zoning Approval	Planning and Zoning for State building permits
0	Pre-application Conferences	Conferences to assist the public with division of land, road requirements, restrictive covenants.
0	Zoning Ordinance Letters	confirmation letters or phone calls from the planning departments. The department receives calls or emails to determine existing regulations on zoning in Lea County. Return letter to company stating Lea County is without a zoning ordinance and stating what requirements may be implemented when the company's project comes to Lea County.
