When the word poster, Display Board or Exhibit Board is used, please follow the guidelines below. Any exhibit not following the guidelines below will be disqualified.
Exhibit Sizing Guidelines:

a. Posters
Posters may be no larger than 14 x 22 inches (this is half of a standard sheet of poster board). Posters larger than this will be disqualified. Posters are defined as any flat paper, foam board, cardboard, or other backing appropriate for hanging on the wall for display. Flat items placed on stands or with stands attached will be considered posters and the stands will not be utilized for display.

b. Display Boards
Display Boards may be no larger than 18 x 48 inches (this is a small size display board, or half of a standard display board.) Display boards are defined as scored, freestanding science boards that may be purchased at any school supply store. These are boards made freestanding by the sides being folded in slightly.

c. Other Exhibit Boards
Exhibit bases for three dimensional vertical displays may be no larger than 24 x 24 inches. A vertical display is defined as an exhibit with a solid base where the exhibit itself rises up. This would apply to small engines, Self-Determined, or any other appropriate 3-D Display.

d. Project Specific Boards
Some project boards are given specific measurements within the project. For example, Leathercraft and Braiding have guidelines in the project book. If an exhibit is defined by the project book that is the rule members must follow.

e. Oversized Exhibits
Because of security and space limitations, extremely large/heavy project exhibits may not be accepted for display in the 4-H Department. This only applies to actual items – posters, display boards, and vertical displays may not be over-sized. We cannot guarantee that oversized items will be placed behind glass and secured.

Premiums: 1st - $3.00; 2nd - $2.00; 3rd - $1.00

Self-Determined Projects. Any member who is enrolled in a self-determined project must complete a Self-Determined Project form and have the form signed by their 4-H leader and parent, prior to arriving on the fairgrounds. Any Self Determined Project without a form will be disqualified.

All 4-H members who have enrolled in a Self-Determined project are STRONGLY ENCOURAGED to construct an exhibit of their project, based on the goals and steps they set at the beginning of the current 4-H year. All Self-Determined Project exhibits MUST BE entered under the specific project, Self-Determined class number. For example, a Self-Determined Welding project may have a poster exhibit of the large scale project that was completed, where as a Self-Determined Gardening project may include a display of vegetables or flowers and how they were grown.

The Extension Agent is not responsible for items damaged or lost at the NMSF or the ENMSF. Any cumbersome, fragile, or otherwise difficult object to handle may not be transported to the NMSF or ENMSF at the discretion of the Extension Agent. Because of security and space issues NMSF will no longer be accepting very large or very heavy projects.
