Thank you for considering a membership to the Luling Area Chamber of Commerce! Our Chamber is funded by the annual investment of its members. For very affordable dues, you can be part of the public relations and economic development of Luling. And of course, Chamber members are always referred for business inquiries. One business referral alone could yield the return of your annual investment.

Chamber membership is a must for any business that wants to gain optimum public exposure. Your business is listed on the Chamber website and on brochures to residents and visitors to Luling. [www.lulingcc.org](http://www.lulingcc.org) received over 93,000 hits in 2011. We have "member only" brochure racks at Buc-ee's, City Market BBQ, Tiger Tote, as well as the Oil Museum Visitors' Center. Over 25,000 Luling brochures are also distributed in over 45 locations along the IH-10 corridor, between San Antonio and Houston.

Chamber members also receive business networking opportunities, free business counseling and education. Conveniently located on Davis Street in the Oil Museum, the Luling Area Chamber of Commerce works closely with Luling Main Street, the Luling Economic Development Corporation, the Oil Museum and the Watermelon Thump Association.

The Chamber also works toward:

- The economic development of the area by encouraging companies to relocate to this area, assisting new businesses, and promoting existing businesses and the community locally, as well as throughout the state.
- Welcoming newcomers and providing them with information on housing, public education, local health care facilities, recreation and business services.
- Keeping local business people and the community informed of its activities with a weekly e-newsletter, Facebook page, exposure in the *Luling Newsboy* through ribbon cuttings, grand openings, and "HomeGrown Luling" ads.
- Promoting Luling as a destination through tourism efforts such as trade shows, listings on over 100 Texas Event Calendars and websites, thousands of brochures and rack cards distributed throughout the state, and tourism conferences and seminars.

The Luling Area Chamber of Commerce is a member of *Go Texan, IH-10 Corridor Association, Texas Downtown Association, Texas Chamber of Commerce Executives, The Texas BBQ Trail, and the Texas Travel Industry Association.*

The Chamber board meetings are open to members and are held on the second Wednesday of each month in the Chamber office at 5:00pm.

**Join today to help promote the economic development  
and prosperity of our business community.**
