EXHIBITOR INFORMATION

The Premium Handbook has a new look! A WHOLE NEW LOOK. It’s been rearranged quite a bit with a few changes to divisions and classes. Look for your department or talent in the bold headings across the top. Many DIVISIONS offer Skill Level. Many CLASSES offer "any other", when what or how you create is not an exact class. Our goal with this new look is to increase competition and interest while making it easier for EVERY-ONE to enter, even FIRST TIMERS! Competing at Madera Fair is fun for all.

GET A HANDBOOK. Check!
1. Look through the book and find the areas that you are interested in entering. It is easy to look at it this way: WHAT you do and HOW you do it! OR HOW you do it and WHAT it is!
2. This book is published yearly and lists all of the departments, divisions and classes that are available for entry.
3. You’ll notice a specific YOUTH CONTEST section in orange. If we do not have a comparable contest in youth, youth are welcome to enter the adult contest section.

SECOND, Fill out your entry form completely:
1. Entry forms are available at the front of the book, online at www.maderafair.com, or, from the Fair Office. Special entry forms are required for livestock.
2. Sign your form. Youth must include their age, grade and have a parent or leader sign.
3. Please include phone number, complete address and email.
4. Make sure both the division number and class number are clearly listed on the form.
5. Enter the classes you feel are best suited for your exhibit. The Fair will attempt to enter exhibits in the proper classes when entries are made in error on the form. However, the Fair will not be liable for entries made in error.
6. Refer to rules listed in the department you are entering for further information. If you need help, call the Fair Office at (559)674-8511 or come in and see us Monday through Friday 8:00 AM to 4:30 PM.
7. Bring your entry form and fees, if applicable, to the Fair Office by 8pm on Tuesday, August 20, 2019. LATE ENTRIES WILL NOT BE ACCEPTED! NO POSTMARKS.

THIRD, Bring your exhibits to the Fairgrounds.
Be sure you have noted the receiving days as listed in the Exhibitor handbook. Bring your exhibits between the hours listed, to the building indicated.

NOTE: All exhibits must be picked up on the date listed, in most cases the Tuesday following the closure of the Fair. The Fair is not responsible for items not claimed on or after the claiming date. Any remaining exhibits not claimed by October 31st may be donated or discarded.

PHOTOGRAPHY RULES

1. You can enter (2) entries per class, per person.

2. Any photo may be entered as long as it has never won an award at Madera District Fair.

3. Black & White prints may be entered in any class. However, for judging on Black & White technique, it must be entered in the Black & White class # within your Division.

4. All photos must be taken by exhibitor. However, they may be developed, printed and/or mounted by a professional.

5. Please provide an 8”x10” or 8”x12” print and mount on a SINGLE mat. Double or triple mat will be disqualified.

6. All prints must include an adhesive hanger centered on the back and flush with the top edge. Hangers are available at the Fair Office or on receiving day free of charge.

7. All prints must be clearly marked on the back of the mat with the following information:
   
   EXHIBITOR’S NAME
   Address
   Phone
   Division & Class

   ***ADVICEMENT: Our experience shows simply using double sided tape does not work. Often with the humidity in the building it becomes detached. We suggest glue dots or a stronger adhesive.

8. Images are not to be modified in any way that does not display a true representation of the subject matter of which the photo was taken. Minor corrections to enhance the color, contrast and brightness of a photo are allowed, as long as it is done in reasonable increments (as decided by judges) which do not alter the original natural form of the photograph.

   Permitted Modifications: (1) image cropping and rotating as necessary (2) Color filters-only if they are used to color correct artificial lights. (3) Red-Eye removal and spot “dust marks” removal. (4) Use of artificial lighting such as flash, studio lights or reflectors used at the time the image was made. (5) Use of corrective functions to improve the natural appearance of the image, such as dodging, burning, levels, contrast, brightness, intensity, tone, saturation, lightness, value, color balance and hue as long as they are done in reasonable increments and have not significantly modified or manipulated the photograph to appear unnatural, or deviate from the original subject matter of which they were taken.

   Modifications NOT Permitted: (1) Watermarks, writing, hand markings, hand tinting, or physical modifications. (2) Spray matte, or any physical substance that may be added to alter the texture or appearance of print. (3) Adding or replacing elements or composite images. (4) Cloning or removal, replacing or addition of any elements in a photo. (5) Digital retouching or airbrushing. (6) Artistic filters such as fog, mist, warming, sunbursts or any other special effects filter. (7) Specialized treatments or cross processing of film.

LIMIT: Each exhibitor will be limited to one sale animal or meat pen [rabbit/avian]. There are two exceptions to this rule: (1) Exhibitor(s) who have one or more Grand or Reserve Grand Champions. All Grand and Reserve Grand Champions must sell. (2) The exhibitors of the Grand or Reserve Grand Meat Pen of Rabbits or Avian [four exhibitors only] will also be allowed to sell a large animal if they exhibit one that qualifies for sale.

SELLING: Exhibitors of all species shall exhibit their own animals in the sales ring at the time of sale. No exceptions will be made except in extreme emergency. Exceptions must be requested in writing to the Livestock Superintendent. The responsibility for market livestock at the auction remains with the exhibitor until the transportation company moving the stock has it loaded aboard its truck. Thereafter, responsibility will rest with the transportation company for safe delivery.

WEIGHING: All sheep, swine, and goats shall be weighed upon arrival at the Fairgrounds for sale weight. All beef shall be weighed following judging for sale weight.

SALES FEE: A 5 percent sales fee will be deducted and will go to The Madera District Fair for sale cost and promotion. Any unused funds will be put into a Contingency Fund to cover losses due to uncollectible debts, animal loss reimbursement, and other costs directly related to the auction. In addition, brand inspection and meat promotion fees required by the State of California will be deducted from beef sales, an assessment for the National Pork Producers Council will be collected from each hog sale, an assessment for Lamb Promotion will be collected from lamb sales, and a photo fee of $7.00 will be deducted from each exhibitor’s check.

ANIMAL INJURY & ILLNESS: All market animals must be physically able to walk through the sale ring and be loaded onto the slaughter facility truck.

REIMBURSEMENT: A market animal that dies at the Fair or is physically unable to load on the slaughter truck after sale will be covered as a contingency loss. The owner will be paid only the amount of the prevailing resale price for that species.

If the animal is judged to have been ill or injured at the time of entry it will not be covered. There will be no contingency for breeding stock injuries or illness. Fair Management will have the final decision on all contingency claims.

BUYER: Each buyer will be required to sign a sales slip showing the type of livestock, weight, and price per pound, total price, and the seller’s name.

TERMS: Buyers shall pay the Madera District Fair for their purchases immediately after the sale.

SUCCESS: The success of the sale largely depends on the number of bidders that will be on hand. Therefore, it is important that effort be put forth by you, the seller, in contacting potential buyers to participate in the sale.

GRADE: The following grades will be sold:
- Market Steer Group A-B
- Market Lambs Group A-B
- Market Hogs Group A-B
- Market Goat Group A-B
- Market Pen Rabbits & Avian Group 1-2
