

21-A DISTRICT AGRICULTURAL ASSOCIATION

Dear Potential Junior Fair Member,

The Madera District Fair's Junior Fair Board was created to provide young adults with an opportunity to develop leadership and public relation skills, perform community service, and become aware of the business and operations of Madera District Fair. Our young community is the future leadership of California Fairs and youth involvement is an important investment.

The 2019 Junior Fair Board is happy to offer two courses to potential members based on time commitment, responsibility and member desires. If you would like an in depth membership role and are able to commit to the term, perhaps the Junior Fair BOARD course is for you. If your schedule does not allow for a full term commitment, your participation as a SERVICE member may be most suitable.

### **COURSE 1: Junior Fair BOARD Member**

- Elected Member based on application and interview process.
- Participate in Junior Fair BOARD monthly meetings.
- Assist in Public Relations and special event pre-fair and Fair Time.
- Develop speaking skills, organization and execution of events.
- Term for Board, April-October 2019. Please see included tentative date and activity guide.

### **COURSE 2: Junior Fair SERVICE Member**

- Fair Time guest services
- Assist Fair guests at, but not limited to, entry gates and concert venue.
- Term for Service, September 5-8, 2019, with an additional day of training.

The Junior Fair BOARD has 6 seats available. Junior Fair BOARD Members can and should expect to engage in service and leadership with Junior Fair SERVICE Members. Potential Junior Fair members must be high school age students and enrolled in a high school or equivalent program at the time they begin their service as a Junior Fair Board or Service Member. They must also be a resident of Madera County. An interview may be held as deemed appropriate by the Adviser in filling both Board seats and Service team. All new members are notified by a letter and/or phone from the Adviser and/or Madera District management of their acceptance for membership.

Looking forward to your participation-

*Barbara*
