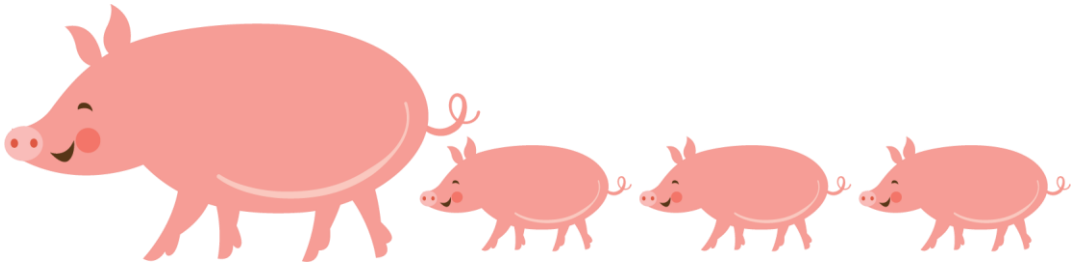
Make Your Own Play-Doh

If you don't have any clay or Play-Doh, you can make your own. Just make sure you get permission first.

Ingredients

- 1 cup of flour (whatever kind you have on hand)
- ¼ cup of salt
- 1 Tbsp cream of tartar (optional)
- ½ cup of warm water
- 2-4 drops of food coloring

Instructions

1. Mix together the flour, salt, and cream of tartar.
2. Mix together ½ cup of warm water with a few drops of food coloring (red).
3. Slowly pour the water into the flour and stir until combined, then knead with your hands until the flour is completely absorbed. If the dough is too sticky, add more flour until it doesn't stick at all.


Note: you can store in an airtight container or sealed bag for longer life.
