4-H Dog/Llama Care and Feed Record Book replaces 4-H Dog and 4-H Llama Care and Feed Record Books.

Note: The County Fair rules require that you submit a Care and Feed Record Book to them (check with the Fair Office for due date) if you enter any animal in the County Fair even if you don't show that animal for any reason. If you do not turn in a record book to the Fair, you cannot show ANY animal at next year's County Fair.

Purpose

The purpose of a 4-H dog/llama project is:

- To acquire an understanding of animal care by preparing for, purchasing, caring for, and keeping records on one or more animals.
- To understand the business aspects and economics of purchasing animals, feeds, facilities, and equipment for an animal project.
- To keep an account of all your activities and accomplishments in one place.
- To develop integrity, sportsmanship, and cooperation.
- To develop leadership abilities, build character, and assume citizenship responsibilities.

4-H Dog/Llama Care and Feed Record Book Guidelines:

It is suggested that a copy of the record book be made for use as a work copy. Records should then be transferred into this book for submission.

- Your record book should start with the **purchase date of your animal or September 1st of the current 4-H year (for ongoing project animals)**.
- Your record book should contain information relating only to your current dog or llama project animals. If you have more than one project animal you must identify which animal when completing the various sections of this record book.
- Always double-check your math and have someone check your project Story/Essay for spelling and grammar before you write it in the final record book.
- **Your final record book must be hand written by the 4-H'er (Juniors may use pencil or pen, Intermediates & Seniors must use pen, however the Project Story /Essay may be typed (on 8 ½ X 11, single-sided paper, in a 12 point double spaced font, by the 4-H member and attached.**
