Purpose

The purpose of the Horse program is to provide young people an opportunity to participate in a series of activities designed to improve citizenship, sportsmanship, horsemanship, character, competitive spirit, discipline and responsibility, while creating an atmosphere for learning and awareness of life around us.

The purpose of a Horse project is:

- To acquire an understanding of animal care by preparing for, purchasing, caring for, and keeping records on one or more animals.
- To understand the business aspects and economics of purchasing animals, feeds, facilities, and equipment for an animal project.
- To keep an account of all your activities and accomplishments in one place.
- To develop integrity, sportsmanship, and cooperation.
- To develop leadership abilities, build character, and assume citizenship responsibilities.
