

Welcome to the MontanaFair Online Entry System
Please print out the handbook information for future reference which includes this page. It will help you when you hit to enter your entry on the online Entry System.

Use this guideline for information and entry in the 4-H/FFA Departments
(Dept A – Livestock and Dept N – Non-Livestock)

Step #1 Once you select the department from the handbook and have established the division and class to enter the click on the **registration** icon. Enter under one name only and enter only once. You will need to set up a password and confirm it. The entry office and the 4-H Office do not know your password. Enter both Department A & N at the same time. If you forget a class, call the 4-H Office at 256-2828 to add it.

Step #2 SCREEN #1 - Fill out all of the *(required) information on the screen. If it is not applicable and not starred (*), tab past the space. If you have read the rules (both 4-H and MontanaFair General Rules (located at the back of the department handbook), agree to follow the Code of Ethics and you have parent or guardian permission, change all three buttons to yes.

SCREEN #2 - Verify the information and confirm.

Step #3 SCREEN #3 – Pick the Department and the Division that you wish to enter. Pick the class. Fill in the information as required. Click on add 1 entry.

SCREEN #4 –Will ask you if you wish to “Add a Different Entry” or “Add a Similar Entry”. Click the button that applies. If you wish to continue entering, put in department and classes and continue.

When you have completed one/or both departments, click on **continue**.

Step #4 **REVIEW** Check all of the classes you have entered and all of the information. If it isn't correct, click on the edit button and correct. If you need to go back to add additional classes, click on **continue**. If you have entered ALL of your classes in Department A (4-H/FFA Livestock) and Department N (4-H/FFA Non-Livestock) click check-out. If you **HAVE NOT** entered in all classes in one/or both

departments, click on “save cart for later” until you have all classes entered. Once you have checked out, you will not be able to bring up these classes or your original registration again. Your entries will be submitted!

Step 5 This brings up the fee screen. Put 1 (one) in the Department A & N 4-H/FFA Yellowstone County OR Out of County quantity boxes. Scroll to the bottom of the screen and click **continue**.

Step #6 This will bring you to the pay screen. The screen will show you the balance due and a “Pay Later” or “Pay Now” option. You may do either, but remember that your entry has to be paid in full PRIOR TO ENTRY DEADLINE. Follow the instructions for credit cards. Payments made with credit card will appear on your credit card statement as a PayPal Charge/MontanaFair. If you use the “pay later” option and you wish to make payment by check, make it payable to MontanaFair and mail it to P.O. Box 2514, Billings, MT 59103 PRIOR TO THE ENTRY DEADLINE (allow mailing time to arrive by entry deadline).

Step #7 Screen will come up with amount due or amount due and paid with your entries. At the bottom, there is a MontanaFair liability waiver in the signature box. You must type in the word **YES**. Click the **SUBMIT** button. Your entries have been submitted and payment or balance due confirmed.

Click on “FINISH”. **PRINT** a copy of your confirmation. You will receive a preliminary confirmation by email. You will be notified by the 4-H Extension Office if there is a problem with your entry at the end of June or early July. Remember that your entry is not totally confirmed until all requirements, signatures and payment have been submitted.

If you have any questions, do not hesitate to call the entry office at (406)256-2400 regarding the entry process. We are available most days Monday – Friday from 7:00 am until 3:00 pm. If we are not in our office, leave a message and we will call you back as soon as possible. Be sure to leave your name, the exhibitor name AND your phone number for a return call. Premium winners will receive a premium ribbon only – no blue ribbons will be awarded to premium winners.

19. **MARKET ANIMAL CARCASS ULTRASOUND RULES:**

- a) Ultrasound will be used on Market Animals exhibited at MontanaFair, instead of actual carcass measurements. By using the ultrasound method, we can evaluate a live animal in much the same way as we evaluate the animal after processing. We will be using the collected data to decide the top carcass in beef, sheep and goat. This data will be used for the MSU Steer of Merit program.
- b) The ultrasound will be performed by Certified Ultrasound Technicians who must place ribbons accordingly per standards.
- c) **Carcass ultrasound must be entered on your fair entry to compete in the carcass contest. This class is not mandatory.**
- d) On November 29, 1995, the Yellowstone County Livestock Committee voted to withhold the cost of the ultrasound service from exhibitor sale proceeds.
- e) Breeding Beef, Breeding Sheep and Breeding goats may be ultra sounded at the exhibitor's expense. Payment is due at the time of the ultrasound.

Ultrasounds will take place at the following times:

Beef: Sunday, August 11 during weigh in.
Goats: Tuesday, Aug. 13, 1:00 pm,
Sheep will follow goats.

20. **THERE WILL BE A LIMIT OF FOUR SCRATCHES ON ENTRIES. MORE THAN FOUR SCRATCHES PER EXHIBITOR MAY RESULT IN A FORFEITURE OF PREMIUM MONEY. ENTRIES WITH MORE THAN FOUR SCRATCHES MAY NOT COMPETE FOR AWARDS.**

21. **GRIEVANCE POLICY.** All formal protests must be submitted based on the Yellowstone Co. 4-H Grievance Policy. This is available at the Yellowstone County Extension Office or at the 4-H Office in the Expo Center.

22. **REQUEST FOR RULE CONSIDERATION**
Exhibitors can request a rule consideration by completing the form available in the 4-H/ FFA Fair Office. This request will be reviewed by the appropriate fair officials. **A rule change consideration is NOT for animal changes or adding classes. Individual species deadlines are strictly enforced.** All exhibitors and parents are highly encouraged to review their fair entry for accuracy before submitting them on line. All livestock fair issues that arise (after the first fair entry deadline through fair) must be voted on in a timely manner by a committee, which will include Junior Chairman, established by 4-H Council policy. Votes will be by secret ballot. The County Agent cannot vote but only act as a liaison. Decisions will be made by majority vote of those in attendance.

Superintendent(s) and Division Chairmen are an important part of the county 4-H programs. Policy

permits Superintendents and/or Division Chairmen to request from the county agent a special rule or guideline for their department, to make it run smoothly and/or efficiently.

23. **All 4-H/FFA Exhibitors** exhibiting in 4-H/FFA Livestock events must show, care for, fit and clean their own animals and stalls with minimal adult assistance. Minimal adult assistance for a learning purpose or safety issue is acceptable. Excessive involvement by adults could lead to consequences for the exhibitor to be determined by the Livestock Committee, Division Chairman, Livestock Superintendent, and/or Extension Agent.

24. **First and second place class winners** must remain dressed and ready to go back in the ring until the show is finished. Consequences may include forfeiting premium money and/or other consequences to be determined by the Livestock Committee, Division Chairman, Superintendent and/or Extension Agent.

25. **In order to vote on yearly** rule and policy changes, adult livestock leaders and junior exhibitors must have attended the discussion of the proposals at the post fair and/or the Sept. Livestock Meeting. Junior leaders must be 14 years or older by Oct. 1 of the current 4-H year and enrolled in a livestock project. Exhibitors (8 – 19 years) must be enrolled in the livestock program.

****Horse members, horse leaders and Organizational Leaders** enrolled in the prior

4-H year can vote at the Horse & Colt Committee meetings. Any rule or policy change must be submitted to the Extension Office on the rule/policy proposal form. Horse related changes will be voted on at the Oct. Horse & Colt Committee meeting.

*****Leaders and Junior Exhibitors** in the Horse Project should vote on their related changes. Leaders and Junior Exhibitors in the Small Animal Livestock Committee should vote on their related changes. Leaders and Junior Exhibitors in the Large Animal Livestock Committee should vote on their related changes.

26. **All members** must acknowledge adherence to the **LIVESTOCK CODE OF ETHICS & DRUG WITHDRAWAL during on line registration.** These policies will be enforced.

27. **Exhibitors and families** must park in designated 4-H parking areas.

28. **Only animals** entered in MontanaFair are allowed to be on the fair grounds.

29. **All Market Beef, Swine, Lambs, and Goats** must have ear tags for MontanaFair issued at tagging day, upon arrival at MontanaFair. **Out of County 4-H or FFA exhibitors** will pay \$35 per market animal to tag at tagging day.

30. Exhibitors helping at Weigh In on Sunday, or Wednesday morning can bring their animals in before the normal arrival time with **prior approval by the Division Chairman.**

31. **Exhibitors cannot exhibit market animals (including females in breeding classes) tagged for MontanaFair at another County Fair with the exception of the Montana State Fair held in Great Falls.**
32. All Division Chairman, Superintendents, and the Extension Agent have the right to remove an animal from a class or the Fair if it is a safety issue. This includes the Round Robin Contest.
33. Judges for MontanaFair will be recommended by a committee of leaders, advisors, and exhibitors at the September meeting. This same committee will rank the names given and then present this list to the Extension Agent. The Extension Agent will contact the judges following the order given to her. The Extension Agent and the MetraPark official will be the only contact from MontanaFair with the judges while the contract is made.
34. Junior Chairmen will be allowed to vote during the 12:00 noon daily Chairman meetings.
35. All animals will need to be fitted in their own species area.
36. No caps, cowboy hats, or other head covers (unless for religious reasons) will be worn during showmanship, market classes, breeding classes, obstacle courses, round robin competitions, sale pictures, or market sale. This rule applies to all exhibitors showing cattle, swine, goats, sheep, llamas, alpacas, rabbits, poultry, covies, dogs, cats and pocket pets. This rule does not apply to horse exhibitors. Horse exhibitors see Horse Supplement.
37. Exhibitors may bring an in-barn/Expo educational display up to and including the day that animals are checked into the barn/Expo. No premiums will be given but points may be awarded in the Herdsmanship Contest. Each species has its own Herdsmanship Contest.
38. **Violations:** Any violation of any rules and regulations may result in forfeiture of all premiums and awards, disqualification, expulsion or probation of the exhibitor or organized groups the exhibitor represents and the exhibit or livestock involved in the violation. Probation, disqualification, expulsion or other disciplinary action will be final.

LIVESTOCK CODE OF ETHICS

Montana 4-H is based on principles of positive youth development. 4-H & FFA believe that all producers and exhibitors of livestock have an interest in maintaining a reputation of integrity as well as presenting a positive and progressive image at livestock shows. Because 4-H/FFA believes that all livestock producers want to produce a wholesome, safe and reliable source of food for the public, the following "4-H Livestock Code of Ethics" has been adopted. Violations of this code are considered unethical in the raising, showing and exhibiting of livestock for 4-H/FFA shows and fairs.

Sportsmanship. All exhibitors and their families are encouraged to conduct themselves in a positive, honest, sportsmanlike manner during the shows and at Fair. Losing gracefully is just as important as winning humbly. The following practices are prohibited.

- Unsportsmanlike conduct, such as abusive language to show officials, other exhibitors or spectators is prohibited.
- Misrepresenting the age of the animal for class in which it is shown.
- Criticizing or interfering with the judge, other exhibitors or show officials while at the show or at fair may result in an individual or group being expelled, placed on probation or declared ineligible to exhibit at the show and at Fair.

Procedure for Reporting Unsportsmanlike Conduct - MontanaFair

Please use common sense in all situations. Know the whole story and do not make assumptions about what is going on in the incidents you are observing. The committee reviewing the incidents will consist of the 4-H Extension Agent, Department A Superintendent(s) and the Division Chairmen. Infractions carry over from year to year – they are cumulative.

The person reporting unsportsmanlike conduct needs to write up information about the incident including the incident as reported, time, date, species, witnesses, etc. and must then sign the form. This document will be filed in the 4-H Fair Office. The incident will be investigated. The people involved (member(s), adult(s), leader(s), witnesses, Division Chairmen, Superintendent(s) and Extension Agent) will discuss the incident.

At the time of the incident, the **4-H/FFA member or adult** needs to:

- A)** Contact the Division Chairperson and discuss the incident they observed. The Division Chairperson will then visit with Roni Baker, Extension Agent and/or the Dept. A Superintendent(s), about the incident. OR
- B)** Contact Roni Baker, Extension Agent, and discuss the incident they observed. This can be done through the 4-H Fair Office in the Expo Center. Roni will then visit with the Division Chairman in that species and/or Department A Superintendent(s). OR
- C)** Contact the, Dept. A Superintendent(s) and discuss the incident they observed. This can be done through the 4-H Office in the Expo Center. The superintendent(s) will then visit with the Division Chairman in that species and/or Roni Baker.

First Infraction

Procedure for Reporting Excessive Adult Involvement

Please use common sense in all situations. Know the whole story and do not make assumptions about what is going on in the incidents you are observing. For example, excessive adult involvement does not include a parent holding an animal for the next class when the exhibitor is in the ring showing another animal or when a parent is helping lead a steer to tie-outs. Examples of excessive adult involvement include a parent cleaning a pen or a professional fitter grooming an animal.

At the time of the incident, the **4-H/FFA member or adult** needs to:

Treatment of Animals. All animals are to be treated in a humane manner. Adequate feed, water and shelter are to be provided at all times. Physically abusing an animal is unacceptable at any time and will not be tolerated. Exhibitors who abuse their animals, for whatever reason, will be disqualified from the show. Striking an animal to cause swelling is absolutely prohibited.

Administration of Drugs. The Yellowstone County Livestock Program does not permit the use of drugs (herbal, natural, or pharmaceutical) or surgical procedures which affect an animals' conformation, appearance, natural color, or behavior except for treating a recognized disease or injury. For the purpose of this code "drug" shall mean any substance commonly used by the medical or veterinary professions that affect the circulatory, respiratory, or central nervous systems of an animal. Only those drugs approved and labeled for use on species specific animals can be administered. Livestock requiring any medication should be identified upon arrival to the 4-H Fair Office. Exhibitors should be prepared to present a valid prescription and/ or a written explanation, either or both to be signed by the animal's licensed veterinarian. Any required medication or treatment after arrival at the show used to protect the health and welfare of the animal must be prescribed by a licensed veterinarian and approved by the Chairman of that Species, Superintendent, and Extension Agent. Administration of all medications must, at all times, be done in accordance with the specification and/or instructions given in the prescription or directions and be

administered in the presence of the Chairman of that species, Superintendent(s) and/or Extension Agent. Liability for the correct administration of the prescribed drug is the responsibility of the Exhibitor and Exhibitor's parent or legal guardian. In addition, the following practices are prohibited and unethical:

- The use of any diuretic on any animal.
- Labels should specifically identify the animals cleared for the use of such substances and the proper dosage.
- The use of alcoholic beverages in feed or administered as a drench.
- Treating or massaging any part of the body, internally or externally, with an irritant, counter-irritant or other substance to temporarily straighten a weak back or loin or to produce unnatural animation.
- Minimizing the effects of cramps by feeding or injecting drugs, depressants, or applying packs or using any artificial contrivance or therapeutic treatment exempting normal exercise.
- Administration of tranquilizers or calming agents (natural, herbal, or pharmaceutical) to calm down animals.
- Surgery of any kind performed to change the natural contour or appearance of the animal's body, teeth, hide or hair. Not included is the removal of teats or horns, clipping or dressing of hair, trimming of hooves, spaying heifers, castrating male animals, or docking tails.
- Insertion of any foreign material under the skin.
- Any attempt to change natural color of any animal, either purebred or crossbred, by changing the color or adding false hair, fleece, or skin at any point, spot or area of the animal's body.
- The natural color of a steer or lamb cannot be altered using any artificial coloring. However, products that match the steers or lambs natural color may be used in the fitting process from the knees and hocks down and on the switch only. For example, black products may be used on a black-legged animal, red on a red-legged animal, and white on a white-legged animal. But under no circumstances can color be used to cover a steer or lamb's natural leg color.

Violations. Any violation of the rules and regulations may result in forfeiture of all premiums and awards, disqualification, expulsion or probation of the Exhibitor or organized groups the Exhibitor represents and the exhibit or livestock involved in the violation. Probation, disqualification, expulsion or other disciplinary action of the livestock show committee will be final. Such action will require application for readmission under such terms as the committee may prescribe before the group or individual is allowed to exhibit at future shows. The Fair Livestock Committee reserves the right to interpret rules and arbitrarily settle all differences and questions not adequately addressed by the above code of ethics. Consequences for misconduct may be serious and have a lasting effect. We have the right to have any animal removed from MontanaFair. The Livestock Show Committee will consist of 4-H Extension Agent (Roni Baker), Department A Superintendent(s), the Livestock Committee and Sale Committee Presidents, and the Division Chairperson(s).

11. Wether Sire & Dam (Division 46) is **NOT** a division for your market Wether lamb. All sheep entering this Division must be slick shorn. Breeds will not be broken into white, speckled, or blackface, because the purpose of a Wether breeding sheep is all the same regardless of breed. The Wether sheep breeding division was created for the youth wanting to show their market lamb female (all other classes are offered in this division) in the breeding sheep project. Because of the genetic makeup of a "Wether" (club lamb) producing sheep, the Exhibitor needs to compete against the same type sheep.

CHECKS RETURNED/DENIED CREDIT CARDS: Any exhibitor issuing a check for payment of entries, stalling or gate admissions which does not clear their account for any reason, will have five days to make payment to keep entries eligible to participate in competition. This applies to credit card transactions that are denied. A \$30.00 fee will be assessed to the exhibitor. This fee must be paid in cash, money order or cashier's check prior to competition. If MontanaFair has not been notified of transaction denial or returned check prior to judging, any premiums earned will be withheld.

REFUNDS: MontanaFair has a firm no refund policy. While recognizing that illness or injury of an exhibitor or livestock occurs, and other events or reasons can come up between entry online and exhibits are received, no refunds of any fees are permitted. Submission of online entry acknowledges the **NO REFUND POLICY**.

CODE OF ETHICS: MontanaFair is a member of the International Association of Fairs and Expositions (IAFE) and will abide by the IAFE National Code of Show Ring Ethics when conducting MontanaFair 2018 as printed at

EXHIBIT RULES & REGULATIONS

JUDGES: Every effort is expended to provide competent judges. No exhibitor or spectator will be allowed to interfere with a judge in the performance of his/her duties. Exhibitors, owners, agents or representatives should not converse with judge until all judging of applicable exhibits has been completed. Under no circumstances should anyone converse during class judging.

DELAY OF JUDGING: Exhibitors must arrange for the prompt showing of all exhibits at the call of the judge. At the judge's discretion, any exhibit not presented promptly when called may be disqualified. Call for "closing of the gate" is at the Department Superintendent's discretion.

UNWORTHY EXHIBITS: Judges must not award a prize to an unworthy exhibit. No premiums will be awarded to undeserving exhibits where there is competition or not. Judges are allowed to award premiums as they feel worthy. The decision of the judge shall be final and no appeal will be considered except in cases of formal protest. As ribbons and awards can be given in error at time of exhibit pickup or dismissal from a class after judging, please be aware that premiums are not paid by ribbons received. The judge's placing in the official judge's book designates the premium paid.

PROTESTS:

1. Protests (whether formal or informal) must be submitted in writing, signed and accompanied by \$50.00 cash or certified check (refundable if the protest is sustained). The protest must plainly state the cause of the complaint or appeal and must be delivered to the Department Superintendent immediately after the occasion for the protest. A protest pertaining to eligibility is most suitable when submitted prior to judging.

2. Judging procedures will not be interrupted for protest investigation.
3. Depending on the basis of the protest, interested parties may be notified and given the opportunity to submit evidence. A decision may be withheld until a complete investigation can be made.
4. No complaint or appeal that a judge overlooked an entry will be considered.
5. Consult 4-H Livestock (A) & Non-Livestock (N) departments for 4-H grievance policy.

PREMIUMS:

- Exhibitors are limited to two premiums per class.
- Exhibitors receiving premiums in excess of \$600.00 must provide a completed, signed and dated W-9 with the personal social security number or federal taxpayer identification number. Name on W-9 must match the exhibitor as stated on the official entry form or online entry submission.
- Provided there are judged exhibit(s) in a class, all placings and premiums may be awarded except as otherwise provided in rules in any department.
- **Premiums will not be paid according to tags or ribbons, but by the awards as recorded in the judge's book. The judge's record is final.**
- Fair Management does not guarantee the payment of special premiums offered by merchants or private parties. These special premiums are accepted in good faith by MontanaFair.

- Combined or cancelled classes are at the discretion of the Department Superintendent. Combined classes will receive only one premium for placings.
- Ties for placing will result in split premium.
- **Premium checks not cashed within 90 days from date of issue will become stale-dated & void.**

LIVESTOCK & SMALL ANIMALS

1. All livestock and small animals entered and exhibited may be subject to being inspected for health condition before entrance to exhibit building or stalling. All animals found inferior must be removed from the fairgrounds immediately.
2. Any person who violates any of the rules as published on the MontanaFair website www.montanafair.com will forfeit all privileges and premiums and may be subject to such penalty as ordered by MontanaFair management. Submission of online entry serves as agreement from exhibitor to comply with this statement.
3. Competition is open to the world unless specified in department, (except in 4-H/FFA Junior Livestock Exhibitors must be residents of Montana).
4. On-line pre-entry is required for all livestock entries. Late entries will not be accepted.
5. In all cases where registration is required, all animals exhibited must be registered on the records of the various breed associations of classes listed herein. Partnership owned animals must be entered in the name of the owner appearing on the herd books of registry. Original registration or copies must accompany livestock and be available for presentation upon request of Fair management.

6. Animals shown in all group classes must be entered and shown in their respective individual classes.

7. Exhibitors will be required to keep their stalls, pens and alleys in a clean and attractive condition. Bedding and litter shall be disposed of in designated areas. First bedding will be provided by MontanaFair. Additional or replacement bedding must be furnished by exhibitor and be of the type specified by Fair management. MontanaFair does not provide bedding in tie-out areas.

8. Exhibitors are not allowed to block other exhibits or stalling alleys with equipment or blocking chutes.
