

Please print out the handbook information for future reference which includes this page. It will

help you when you hit  to enter your entry on the online Entry System.

Use this guideline for information and entry in the 4-H/FFA Departments

(Dept A – Livestock and Dept N – Non-Livestock)
Step #1

Once you select the department from the handbook and have established the division and class to enter the click on the **registration** icon. Enter under one name only and enter only once. You will need to set up a password and confirm it. The entry office and the 4-H Office do not know your password. Enter both Department A & N at the same time. If you forget a class, call the 4-H Office at 256-2828 to add it.

Step #2

SCREEN #1 - Fill out all of the *(required) information on the screen. If it is not applicable and not starred (*), tab past the space. If you have read the rules (both 4-H and MontanaFair General Rules (located at the back of the department handbook), agree to follow the Code of Ethics and you have parent or guardian permission, change all three buttons to yes.

SCREEN #2 - Verify the information and confirm.

Step #3

SCREEN #3 – Pick the Department and the Division that you wish to enter. Pick the class. Fill in the information as required. Click on add 1 entry.

When you have completed one/or both departments, click on **continue**.

Step #4

REVIEW Check all of the classes you have entered and all of the information. If it isn’t correct, click on the edit button and correct. If you need to go back to add additional classes, click on **continue**. If you have entered ALL of your classes in Department A (4-H/FFA Livestock) and Department N (4-H/FFA Non-Livestock) click check-out. If you

Step 5

HAVE NOT entered in all classes in one/or both departments, click on “*save cart for later*” until you have all classes entered. Once you have checked out, you will not be able to bring up these classes or your original registration again. Your entries will be submitted!

This brings up the fee screen. Put 1 (one) in the Department A & N 4-H/FFA Yellowstone County OR Out of County quantity boxes. Scroll to the bottom of the screen and click **continue**.

Step #6

This will bring you to the pay screen. The screen will show you the balance due and a “Pay Later” or “Pay Now” option. You may do either, but remember that your entry has to be paid in full PRIOR TO ENTRY DEADLINE. Follow the instructions for credit cards. Payments made with credit card will appear on your credit card statement as a PayPal Charge/MontanaFair. If you use the “pay later” option and you wish to make payment by check, make it payable to MontanaFair and mail it to P.O. Box 2514, Billings, MT 59103 PRIOR TO THE ENTRY DEADLINE (allow mailing time to arrive by entry deadline).

Step #7

Screen will come up with amount due or amount due and paid with your entries. At the bottom, there is a MontanaFair liability waiver in the signature box. You must type in the word **YES**. Click the **SUBMIT** button. Your entries have been submitted and payment or balance due confirmed.

Click on “*FINISH*”. **PRINT** a copy of your confirmation. You will receive a preliminary confirmation by email. You will be notified by the 4-H Extension Office if there is a problem with your entry at the end of June or early July. Remember that your entry is not totally confirmed until all requirements, signatures and payment have been submitted.

If you have any questions, do not hesitate to call the entry office at (406)256-2400 regarding the entry process. We are available most days Monday – Friday from 7:00 am until 3:00 pm. If we are not in our office, leave a message and we will call you back as soon as possible. Be sure to leave your name, the exhibitor name AND your phone number for a return call. We hope that these instructions assist you in entering the MontanaFair online entry system. See you at the fair.

**4-H NON-LIVESTOCK
DEPARTMENT N—2019**

**Superintendent: Chris Martin - (406) 248-1425
4-H Extension Agent: Roni Baker - (406) 256-2828**

Entry Fee - \$10 for Yellowstone County 4-H and FFA members - \$20 Out of County exhibitors – No fee for Cloverbuds.

Exhibiting in Department N of the MontanaFair is an educational event for 4-H members enrolled in Home Economics, Agriculture, Livestock and General Projects that do not require the exhibition of an animal.

Exhibits are judged in an interview process whereby the member is judged not just on the end product of the project, but on the learning that took place. Judging is done under the Danish system: that is, instead of placing only one exhibit in First, Second, and Third Class, more than one exhibit may be placed in each. 4-Her's do not compete with one another for ribbons (except in the awarding of Special Premiums-Division 100). Each 4-Her is judged on his/her individual merit according to ability, age and years in the project.

4-H is the Youth Education branch of the Montana State University Extension Service. 4-H is available to all youth ages 9–19 regardless of race, creed, color, handicap, gender or national origin. The Cloverbud program is available to children 6–8 yrs of age. To join 4-H in Yellowstone County, call the County Extension Office at 256-2828.

PURPOSE AND OBJECTIVES:

1. Learn skills and knowledge in a project by participating in an evaluation process with a judge having expertise in that project area.
2. Build self-confidence by participating in a one-on-one interview with a judge, sharing what and how a project is learned.
3. Learn better methods of obtaining desired quality of exhibits through a judge's explanation and exchange of ideas.
4. Develop good sportsmanship habits.
5. Develop teamwork by working with and helping others both (a) in sharing responsibilities of coordinating Fair and (b) by participating in Fair.
6. Share with the public an idea of what 4-H involves through displaying exhibits, club booths and activities.
