

Rock Hide and Seek!

Calling all rock painting enthusiasts! Do you like to add your artistic flair to boring old rocks? Are you a rock hound with a knack for finding ornately painted stones? MontanaFair has a special contest for you! We are giving prizes to both the “hidiers” and the “seekers” thanks to the folks at TimeSquare Furniture!

Rules for Hiding:

- Bring your painted rocks (with no posting/rehiding or keeping info on the back please) to the Art Barn on the MetraPark fairgrounds from Thursday, August 1st-Thursday August 8th to be checked in. The barn will be open from 9 AM-5 PM.
- Check In will provide you with a sticker to be placed on the back of your rock with instructions stating where to turn in found rocks.
- Prior to the opening of MontanaFair, staff will hide all rocks
- Starting Saturday, August 10th the rock finding begins! If your rock is found and turned in, both you and the finder will receive a \$100 gift card to TimesSquare furniture! In the event more than one rock is found, a drawing will be held for that days winner. The non-winning rocks will be hidden again.
- *Contest is open to artists 18 & Over

Rules for Finding:

- Starting Saturday, August 10th and carrying through August 17th, fair goers can seek out rocks all over the fairgrounds!
- If you are a lucky finder of a rock, please return it to the Art Barn. Once confirmed that it is a registered rock, we will keep and add you to the list.
