Update from the National Office.

Attn all NLBRA members,

The National Office is currently still closed due to the “stay at home order” mandate from the governor of the State of Colorado. This order is to remain in effect through the end of the month. Although we are still working remotely unfortunately, we will need to postpone the camping and stall release once again. The new release date will be May 7th @ 9:00 am MST.

At this time there have been no change in plans for the National Finals being held in July. We are in contact with the Lazy E weekly and monitoring the situation closely. The NLBRA board will meet the first week in May and hope to have a better understanding of the situation at that time. After that we will begin to contact franchises so we can begin to discuss qualifying rodeos and what the members can expect for the remainder of the season.

Once again, we encourage you all to enjoy your time with family, take advantage of your extra time in the practice pens, and have a great Easter Weekend.

Stay Safe,

**Annie
Executive Director NLBRA
