2/5/2019

Hello all, the spring rodeos are right around the corner. The preparations for the NLBRA finals are well under way. We will be making the final plans during our quarterly board meeting held in Guthrie, Oklahoma March 23, 2019. As we know this time of year can be very busy with all the planning and organizing your summer runs, we would like to give you a heads up on a couple dates to watch out for.

The early reservation on the camp spots seemed to be a huge success this year. We will still have over 300 camp spots that will go on sale with the stall release date of March 14th. Please continue to watch Facebook and our Website NLBRA.COM for updates as it gets closer. Please remember there is NO early arrivals in any of the pavement areas or permanent stalls. This includes if you plan to come early for the team roping. Please make your camping and stalling reservations accordingly. You may come early on any of the grass lots or the temporary stall barns, additional fees will apply.

If you are interested in attending and voting during the annual Certified Director meeting during the 2019 NLBRA finals remember to talk with your local franchise secretaries to get on their list of Certified Directors. The deadline to be listed will be May 10, 2019. This also includes any adult or youth members that are interested in running for a 2020 board member position.

If you are interested in competing in the 2019-2020 Royalty pageant held during the 2019 NLBRA finals we would like to hear from. The pageant will begin prior to the rodeo starting so please contact the national office regarding your camping and stalling needs. The entries and rules are currently being updated and will be online for your review. Feel free to give us a call and we can answer any questions you may have.

I would like to wish you all the best of luck in your upcoming rodeos and look forward to hearing from you if you have any questions at all.

**Annie Walter
Executive Director NLBRA**
