NPF: GENERAL SHOW RULES

1. A Flock Testing Monitoring Report (testing dated within 30 days of the show) or proof of NPIP is required. Alabama Department of Agriculture & Industries state testing for Pullorum-Typhoid and Avian Influenza and will be done at no charge by poultry inspectors at coop-in on November 6, 2019. Chick Chain birds will only require testing for Avian Influenza. This report (or exhibitor provided NPIP documentation) will be provided by poultry inspectors to show organizers as the birds are checked in, and will be kept with show registration.
2. All entries are subject to a health check by poultry inspectors. Any bird appearing sick (i.e. cough, runny mucus from nostrils, etc.) or infested with parasites, dirty plumage, overgrown spurs, fowl pox, etc., will not be allowed to participate in the show and must be removed from the fairgrounds.
3. **Exhibitors must bring their own feed and will arrange for their birds to be cared for on a DAILY basis during the term of the exhibit.** This includes feeding, watering and cleaning cages. This supports health and safety for the birds by limiting exhibitors from accessing others' cages. Exhibitors must also provide feeders and waters – those secured to cages instead of free-standing are best because they are not easily spilled.
4. There is no heat or air conditioning in the poultry exhibit area. Cages are generally placed on table tops. **Chick Chain participants will be provided cages for Chick Chain Show birds.** All other exhibitors are encouraged to bring their own cages, which provides an opportunity to showcase birds in home-made or designed cages. **If your cage is freestanding, or in excess of 36"L x 30"W x 30"H, or weighs more than 15 pounds, or needs electricity provided, please contact Sheila Andreasen to pre-approve your cage.** Some show-owned cages may be provided upon request; however, there are only a limited number of cages and are provided first come first served. Additionally, your bird area must be clean (inside/underneath/around) at all times, including coop out time. **If individual areas are not reasonably clean, premiums may be forfeited.** Please plan accordingly.
5. **The deadline for registration and fees is October 4, 2019.** Entry fee is \$5.00 per bird and is non-refundable. Register by completing the Poultry Show Registration Form and Ag Fees Payment Form found on the NPF website; the forms may be mailed or hand-delivered to the NPF office. If you are NPIP certified, then you must include proof

of NPIP with your registration/fees. **IMPORTANT: Ag Parking Decals and Gate Passes should be purchased via the Ag Fees Payment Form. The decals and passes will get you in the gate with close parking to the barn.**

6. A maximum of 4 birds per exhibitor is allowed for NPF Youth and Open Shows; 2 birds (pullets of the same breed) are required for 4-H Chick Chain participants.
7. Any exhibitor, or owner, in any way involved in showing a fraudulent entry will automatically forfeit all prize money and will be barred from future participation in this show.
8. All exhibitors (including Chick Chain) will check in birds between 3pm and 8pm on Wednesday, November 6, 2019 and pick them up between 12pm and 2pm on Sunday, November 10, 2019. Chick Chain birds are the exception (see details below). No NPF Youth or Open Show birds should be picked up prior to the coop-out date.
9. The shows will be located in the Winn-Dixie Ag Complex barn; all shows are open to the public.
10. The National Peanut Festival and show organizers reserve the right to substitute or add judges. The judges' decisions are final. Rules are subject to be amended.
11. Premium checks for prize money will be issued and mailed from the National Peanut Festival office after the close of the festival. Chick Chain Show checks will be mailed separately. Please include your complete mailing address when you register. Winners may also be required to submit a W-9 before prize money can be awarded.
12. The National Peanut Festival and show organizers will not be responsible for damage, loss or health risk to birds, cages, materials or equipment.

4-H CHICK CHAIN SHOW & AUCTION

The 4-H Chick Chain Show & Auction is for active 4-H participants only, who are registered in the Chick Chain project. Participating 4-H'ers received 10 female chicks (pullets) on June 20, 2019. By October 4, 2019, those youth who are entering the Chick Chain Show & Auction, will need to register two pullets (same breed) in order to enter the event at the National Peanut Festival. Breeds accepted via registration will be from the pullet project and will include the following breeds: Black Australorp, Easter Egger, White Leghorn and Red Sex Link.

How to Register

Complete the registration form found on NPF's website. Make sure you also purchase Ag Parking Decals and Gate Passes with the Ag Fees Payment Form; decals and passes will get you in the Ag Gate with close parking to the barn. You will need to print out these forms and mail or hand-deliver with payment to the NPF office. On the registration form, make sure you indicate the two pullets as "Chick Chain" and then record the breed you are entering. For instance, if you are entering White Leghorns, then you will write "Chick Chain – White Leghorns". Also note that the Chick Chain organizers will pay for your entry fees for the 2 birds, so you do not need to send bird registration payment to NPF. You will need to send in the registration form and Ag Fees Payment Form (with any decals or gate passes you need to purchase) so the NPF office receives by October 4, 2019. Once registered, you will be notified by the poultry committee.

The Chick Chain Show & Auction

The 4-H Chick Chain Show birds will be judged separately from NPF 4-H/FFA Poultry Show birds. The 4-H Chick Chain Show will be Friday, November 8, 2019 at 6pm. The awards program will follow the show, and the auction follows the awards program. Please note that while the 4-H Chick Chain Show is Friday, November 8, 2019, the NPF 4-H/FFA Poultry Show will be Thursday, November 7, 2019. 4-H Chick Chain participants may participate in both shows, but the same individual birds used in Chick Chain cannot be used in the NPF show. When you check-in, you will be directed to take your 4-H Chick Chain Show birds to a special area, because they will not be mixed in with the NPF Show birds. Immediately following the conclusion of the Chick Chain Show

& Auction, the Chick Chain Show birds should be removed from the fairgrounds (i.e., checked-out by auction winners). Again, NPF Show birds must remain until Sunday. Contact a committee member if you have any questions.
