Judging results will be available at www.statefair.org. Click on the “*Get Involved*” tab, then “*Open Class Domestic Exhibits & Results*” and select the department.

Photography Department Eligibility:

Professional photographers are not eligible to compete in this department. A professional is defined as one that makes more than \$3,000 per year from any photographic activity such as teaching, sales, sitting fees or any other means. *Note that this is a change from the previous limit of \$1,000 per year.*

Competition in the Nebraska State Fair Photography Department is limited to:

(1) Nebraska residents only

(2) and to the following two categories only

- **Amateur** - one who does photography as a hobby, does not advertise, teach or attempt to sell their photographic work and uses only basic editing functions. This includes using software for auto adjustments, exposure, white balance, brightness, contrast, rotation, cropping and image size. Entries in the **Amateur** divisions should be photos taken without extensive post-photo software manipulation.
- **Advanced Amateur** - one who uses advanced photography editing software and techniques but any income gained from teaching or selling photography is less than \$3,000 a year. Advanced editing includes the use of the full features of photo editing software to enhance or alter the original image taken by the camera.

Photography Department Divisions

- Divisions 5401 and 5402 contain classes for exhibitors that meet the NSF definition of **Advanced Amateur**.
- Divisions 5403 and 5404 contain classes for exhibitors that meet the NSF definition of **Amateur**.
- Division 5405 contains classes specifically for **Youth** (age 17 and under as of Jan 1).
- Division 5406 contains special classes that are open to **Advanced Amateur, Amateur and Youth**.

Photography Department Rules: It is the Exhibitor's responsibility to be familiar with the [General Rules and Regulations](#) linked here which apply to all Nebraska State Fair open class domestic departments as well as the specific rules for each department.

Additional Rules Specific to the Photography Department:

- Submission of an entry form indicates the exhibitor's acceptance of rules and certifies photographs as their own work. The exhibitor must have made the original exposure from which the print was made as well as any photo modifications of the original exposure.
- An exhibitor can enter only one entry per class and not more than 12 entries in total (new in 2017).
- The same photo or similar photo cannot be entered in multiple classes. Photos should be of entirely different subjects.
- Competition is limited to exhibitors who are Nebraska residents only.
- Competition is limited to exhibitors who meet either the **Amateur** or **Advanced Amateur** categories. Professional photographers may not compete in any division of the NSF Photography Department. See details of these categories in the above **Photography Department Eligibility** section.
- An exhibitor who meets the criteria of an **Advanced Amateur** can enter only in Divisions 5401, 5402 and 5406. Entries from an **Advanced Amateur** will not be judged if entered in Amateur Divisions 5403 or 5404. An entry that uses advance-editing skills cannot be entered in **Amateur** Classes (Divisions 5403 and 5404) and if entered, will not be judged.
- Division 5405 is restricted for **Youth** (age 17 and under as of Jan 1). Birth date must be listed on the entry form when entering an age-restricted class.
- **Youth** may also enter in Division 5406 (Special Classes) or in any Divisions 5401-5404 classes provided they meet the **Amateur** or **Advanced Amateur** criteria associated with the divisions entered.
- Photos having won ribbons in previous Nebraska State Fairs are not eligible to enter except for Division 5406, Class 606 (*Best of County*) and Class 608 (*Blue Ribbon Classic*).
- Photos not meeting the class description will be reclassified at the discretion of the judge or superintendent. If the photo cannot be reclassified, it will not be judged.
- Entries not meeting specifications such as size and mounting criteria (see **Exhibit Preparation Requirements** below) or entered in wrong division will not be judged.

- The superintendent reserves the right to refuse any entry deemed not suitable for Nebraska State Fair competition and to reclassify any entry incorrectly classified.
- The Nebraska State Fair reserves the right to reproduce in any form any work submitted.
- All photos are handled with care. However, the Nebraska State Fair or its employees will not be responsible for any loss or damage to entries.

Exhibit Preparation Requirements:

- Photo size: With the exception of Division 5406, Class 603 *Panoramas* and Class 606 *Best In County*, all photos must be at least 8"x10" and not larger than 11"x14" (11"x15" permitted only if printing service cannot convert print to the 14" and then must have heavy backing).
- Backing: All photos must be mounted on 11"x14" mounting board that is at least 1/8" thick. Do not use cardboard or other lightweight backing. Photos may be mounted with 3M Spray-On Photo Mount, liquid glue or two-sided tape. Note, however, that old two-sided tape may not be reliable. Any photos not securely mounted will be removed from competition and display.
- Mats: Mats are optional but recommended if photo is 8"x10". If mats are used, they must be 11"x14" and must be firmly attached. Use quality Mounting Tapes or glues that are available at most art supply stores and frame shops. Again, old two-sided tape may not be reliable. Oval mats will be accepted only if size of photo is easily determined.
- No metallic paper.
- Title card: With the photo face down, place the title card on the upper right side of the back of the photo backing. The title card must be no larger than 3" X 5" and be mounted so that no more than 2" is visible above the photo when viewed from the front of the photo.

Required

- The title of the entry should be short: one to four words in length.
- The entry title written on the title card taped to the board back must be visible on the left front of the photo.
- There are four classes in Division 5406 that require the title plus location on the title card. They are: Class 604 *Wild & Scenic Nebraska*, Class 605 *This is Nebraska!*, Class 606 *Best in County (needs county)*, and Class 610 *Windmills Across Nebraska*.
- Entries for all other classes should have only the title (no other information) on the title card.
- Identification: Identify your photo by placing the following information on the back of the entry:
 - Exhibitor's Name
 - City Phone #
 - Title
 - Division and Class #
 - Editing used (software, auto settings, cropping, curves or brushes, HDR, etc)
 - Check rules for Advanced Amateur or Amateur.
