- **All cattle must be purebred and have an original American Shorthorn Association registration paper (no copies or faxes will be accepted) to be eligible to show.**

- Family bred and raised animals entered by juniors in Junior Classes and subsequently entered in Open classes may be treated as family entries in group classes.

- **All Shows held on or after October 1st** of the show year must have Late and Early Spring Calf Championships added to the Division Championships, and seven Champions will be available for consideration for Grand Champion Awards.
- All Shorthorns are subject to a tattoo inspection by representatives of the ASA. All Shorthorns and Polled Shorthorns are also subject to an age inspection if deemed necessary by the ASA and the decision of the examining veterinarian is final. Use of artificial fins on the show animals is not permitted.
- **IMPORTANT:** Each of the following classes **MAY** be broken into multiple classes to accommodate large numbers of entries, but separate classes **may NOT** be combined into one. All females 20 months of age on or before the date of the Super Regional show need to have a 60-day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the show. Exhibitors may be asked to present said verification upon the request of the Show officials or ASA representatives.
