Division Rules

1. **See Jr. General Livestock Rules.**
2. **Ownership:** All barrows to be farrowed on or after January 1, 2019. Gilts cannot be shown in market classes. Any animals shown in this department must have been continuously owned and personally cared for by the exhibitor since June 15, 2019 and may be transferred from 4-H or FFA or vice versa, or within family during the feeding period. All bill of sales must be dated on or prior to June 15, 2019.
****Market Barrows must be tagged with NMSF ear tag and Hair DNA sample postmarked to NM Veterinary Diagnostic Services by June 15, 2019 to be eligible for entry.**
3. **Entries:** The entry deadline is midnight August 1, 2019. Entries will only be accepted on-line through the New Mexico State Fair web-site. The entry fee is \$15.00 per barrow. The entry fee for the Showmanship Class is \$5.00. There is no limit on the number of barrows each exhibitor may enter; **however, exhibitors are limited to bringing a maximum of six (6) barrows.** **Late Entry Fee:** Late Entries will be accepted until August 10, 2019 with a late fee of \$250.00 per animal.
4. **Arrival:** Jr. Market Barrow entries must be on grounds by 5 pm Saturday, September 7th, 2019 for Declaration Card submission. **Check in will be between the hours of noon to 5 pm only.**
5. **Classification:** Market Barrows will be classified Monday September 9th, 2019 at 8:00 am during the Market Barrow Show. Exhibitors will need to provide their declaration card to the Superintendent no later than 5:00 pm on Saturday, September 7, 2019. Late Declaration Cards will not be accepted. The decision of the classifier shall not be subject to protest or appeal.
6. **Show Weight:** Exhibitors will declare their own show weight rather than traditional weigh-in process. Weight will be declared by the exhibitor at time of turning in your Declaration Card to the Jr. Barrow Superintendent no later than 5:00 pm Saturday, September 7, 2019. At judging, the judge will identify the top barrows. These barrows will then be weighed. Weights must correspond to the declared weight within 10 pounds plus or minus. Any not meeting the weight tolerances will be disqualified. Watering of pigs after pig is officially weighed and before the class is judged is prohibited and will be subject to disciplinary action. The barrows will then be placed. Declared weights for barrows must be in a range from 210 pounds to 280 pounds. Entries will be divided into equal sized classes based on declared weights. Any discrepancy will be resolved at Superintendent's discretion.

7. **Market Barrow Fitting:** No dressing (such as oil, paint, powder, etc.) other than water may be used on barrows. Any barrow with dressing other than water will immediately be removed from the ring. Classifier will check for dressing, if found the animal and exhibitor will be disqualified. The classifier has the final say.
8. **Box Fans:** will be allowed in the Swine Barns only with the approval of the Superintendent. Fans will not be allowed in the aisles or attached to the fence. All electrical cords must be Underwriters approved.
9. **Shavings will not be furnished by the New Mexico State Fair,** but may be purchased at the Feed Store located on the fairgrounds.
10. **Water:** There are no automatic waterer's in the barns.
11. **Sale:** See Junior Livestock Sale Rules, Division 38.
 - A. Sale Barrows: decoration of market barrows is prohibited; barrows must be presented for sale in their natural state (i.e. No glitter, oil, paint, balloons, etc. allowed).
 - B. All 30 (+ or -) sale positions will be determined by the percentage method. The maximum number of items to be sold are 30% of the number of barrow exhibitors. There will be no exceptions. This means that in some cases involving small classes, a Reserve Breed Champion will not be eligible to sell in the Jr. Livestock Sale. In those breed classes where an odd number of sale positions result, the Breed Champion will pull the next highest placing barrow in his class up to fill the odd sale slot. Grand Champion and Reserve Grand Champion are required to sell - Breed Champions are not.
12. **United States Department of Agriculture Wholesome Meat Act**

The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the New Mexico State Fair as follows:

 - (a) Animals must be in good health and carcasses free of drug or chemical residues.
 - (b) Antibiotics and sulfonamides have required withdrawal periods.
 - (c) Drug label directions for use and withdrawal periods must be followed
 - (d) If drug or other chemical residues are found in tissue of carcasses, the entire carcass may be condemned. A licensed veterinarian should be consulted, and drug label directions read, before administering any antibiotics or sulfonamides.
13. **Medications & Substances:** Any substances from syringes and needles must be administered by a vet ONLY! Any exhibitor that does not follow this may be disqualified and asked to leave the grounds.

14. **Market Certification Forms:** All Exhibitors of Junior Market Animals are required to submit a Market Certification form and by signing such form, certify they are in compliance. The form must be signed by the following:

- (a) Junior exhibitor.
- (b) Parent or legal guardian.
- (c) County Extension Agent or Agricultural Education Advisor.

This form must be notarized and must be brought to the Show and given to the Show officials by the exhibitor at the time the market animals are classified and/or sifted. No Junior Market animal will be allowed to show without this Market Certification form properly filled out and notarized. NMSF requires only ONE Market Certification form PER EXHIBITOR regardless of the number of animals or species.

15. **Releases:** Superintendents will release animals two (2) hours after the show on Monday, September 9th, 2019. Once an exhibitor obtains a written release, they may leave the grounds at any time. Once an animal(s) has left the grounds, it WILL NOT BE ALLOWED TO RETURN.
