Division Rules

1. **See Junior Division General Livestock Rules.**
2. All in-state junior livestock (cattle, sheep, goats and swine) showing at New Mexico fairs must have an NMLB APPROVED 840 tag and a Form 1 inspection issued by the NMLB before entering any county or state fair. All out of state livestock must comply with New Mexico import requirements. The Form 1 inspection will be issued at the time the NMLB APPROVED tag is placed in the animal. The application of the tag will be done by the extension agent, FFA advisor or fair personnel. All animals must be tagged and inspected no later than June 15th, 2019. The purpose of these requirements is to keep on file a record of animals that are commingled at fairs and shows.

CATTLE

1. Proof of ownership (NMLB “Form 1” inspection certificate) must accompany the animal when traveling, whether in or out of the district; this is the assurance that all requirements have been met.
2. Brands:
 - a) All in state show cattle must be branded with a New Mexico registered brand; if not that of the brand’s registered owner, a bill of sale and a letter of permission from the brand’s owner is required.
 - b) Fresh brands are not allowed – the brand must be “peeled and healed”.
 - c) A freeze brand does not qualify as a New Mexico registered brand.
 - d) Cattle may be shown with the originating herd’s New Mexico registered brand with a bill of sale and a letter of permission from that brand owner.
 - e) Certificates of Brand Exemption are allowed only on registered breeding cattle under that ownership. Steers do not qualify for a Certificate of Brand Exemption.
3. All breeding bulls require a negative trichomoniasis test.
4. All dairy cattle over 4 months of age are required to have a negative TB test. Test is good for 120 days prior to showing.
5. Breeding show heifers must be identified by breed registry number; tattoo or tag for purposes of traceability.

6. Accredited TB-Free Herd status will be recognized.
7. Proof of ownership (e.g., Bill of Sale) will be required. Animals shown in this department must have been continuously owned and personally cared for by the exhibitor since June 15, 2019 or be participating in a 4-H or FFA lease program. Replacement Dairy Heifers must be tagged with NMSF ear tag and mailed the DNA envelope(s) by June 15, 2019 to be eligible for entry.
8. The entry deadline is midnight August 1, 2019. Entries will only be accepted on-line through the New Mexico State Fair web-site. The entry fee is \$20.00 per heifer. The entry fee for the Showmanship Class is \$5.00. **Late Entry Fee:** Late Entries will be accepted until August 10, 2019 with a late fee of \$250.00 per animal.
9. Jr. Replacement Dairy Heifer entries must arrive Tuesday September 10, 2019. Move in hours are 8:00 am until 5:00 pm.
10. Heifers will be toothed and pregnancy checked beginning at 5:00 pm on Tuesday, September 10, 2019.
11. Replacement Dairy Heifers Will Be Classified By Age.
12. Tooth Rule: Any heifer having two sets of permanent incisors that have broken through the skin will not be eligible to show. Any heifer having one set of permanent incisors that have broken through the skin will automatically be placed in Class 7.
13. Any heifer obviously in the wrong class will be moved to the appropriate class or be excused from the show at the Superintendent's discretion.
14. Verification of Date of Birth forms must be signed by the breeder, and presented to the Division Superintendent at the time of pregnancy testing.
15. Animals in classes 6 and 7 must be bred to be eligible to show.
16. Registration is not required, but animals must show predominant breed characteristics. Sire and dam should be given.
17. In the event that not enough heifers are shown, breeds may be combined at the discretion of Superintendent.
18. Fitting Regulations are as follows: Absolutely NO artificial coloring, glues or adhesives will be allowed, no exceptions, while on the NMSF, Expo NM premises. Violators of this rule may be disqualified from the show.

19. **United States Department of Agriculture Wholesome Meat Act**

The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the New Mexico State Fair as follows:

- (a) Animals must be in good health and carcasses free of drug or chemical residues.
- (b) Antibiotics and sulfonamides have required withdrawal periods.
- (c) Drug label directions for use and withdrawal periods must be followed.
- (d) If drug or other chemical residues are found in tissue of carcasses, the entire carcass may be condemned.

A licensed veterinarian should be consulted, and drug label directions read, before administering any antibiotics or sulfonamides.

20. **Market Certification Forms:**

All Exhibitors of Junior Market Animals are required to submit a Market Certification form and by signing such form, certify they are in compliance. The form must be signed by the following:

- (a) Junior exhibitor.
- (b) Parent or legal guardian.
- (c) County Extension Agent or Agricultural Education Advisor.

This form must be notarized and must be brought to the Show and given to the Show officials by the exhibitor at the time the market animals are classified and/or sifted. No Junior Market animal will be allowed to show without this Market Certification form properly filled out and notarized. NMSF requires only ONE Market Certification form PER EXHIBITOR regardless of the number of animals or species.

21. Superintendents will release animals not making the sale two (2) hours after the show. Once an exhibitor obtains a written release, they may leave the grounds at any time. Release forms for sale animals will be written following the conclusion of the sale. **No releases will be written until stalls are clean.** Once an animal(s) has left the grounds, it WILL NOT BE ALLOWED TO RETURN.

Sale Slots

There will be a total of two (2) sale slots, the Grand Champion and Reserve Grand Champion must sell.

**NEW MEXICO STATE FAIR
JUNIOR MARKET CERTIFICATION FORM
(ONE FORM PER EXHIBITOR)**

We, the Junior Exhibitor and Parent/Guardian, certify that we have read, understand and will abide by all the rules and regulations of the New Mexico State Fair (NMSF), the Junior Division rules and regulations, both General and Livestock. We further certify that the use of any chemical or compound that is not approved by the FDA for use in meat producing animals and the illegal use of approved chemicals or compounds have not been administered to my Steer, Lamb, Barrow, Replacement Dairy Heifer or Goat.

As a condition for participation in the Show, we the Junior Exhibitor and Parent/Guardian agree to submit any animal entered by the Exhibitor to inspection by a Veterinarian appointed by management, FDA, USDA/FSIS and/or New Mexico Department of Health and agrees to have such animal submitted to any tests as may be designated and requested by the Veterinarian. The show specifically reserves the right to have tissues, blood or urine laboratory analysis made on any animal entered for competition. The conclusions reached by the Veterinarian, as to whether such animal has been administered or given a substance or drug in violation of the rules or has not been properly withdrawn from approved drugs shall be final, without recourse, against the Show or any of its officers. A licensed Veterinarian should be consulted before administering any medication or growth stimulant.

If, after examination by an official Veterinarian, an animal is found to have been subject to unethical practices, including producing an analysis with a quantity of a substance or drug in violation of the rules: (a) It will be disqualified. (b) Barred from further exhibition. (c) No awards will be made for the involved animal and any other animal exhibited by exhibitor. (d) Entry fees will not be refunded. (e) The Exhibitor will forfeit all rights and privileges to exhibit livestock in the future at the Show.

If a product in violation of this rule is found in the tissue of a carcass of any animal sold through the sale connected with the NMSF, The Fair will in no way be liable or responsible for condition of carcass or sale price of animal and the carcass will be condemned and exhibitor forfeits all rights to sale proceeds, premiums and prizes.

This form **MUST BE** notarized and **MUST BE** in the Livestock Office before day of show. It will not be accepted until it is completed.
