## **Sheep To Shawl Celebrates 49 Years at the Fair!**

The Sheep to Shawl exhibit is located inside the Southwest Dairy Farmer's Dairy Barn. Visitors follow each step in the processing of wool: shearing the sheep, washing and dyeing the wool, spinning and weaving to a finished garment. This is a joint effort of Las Aranas Spinner and Weavers Guild and the Sheep and Wool Producers of New Mexico, greatly aided by friends and supporters from all over New Mexico. A representative from each group is always on hand to answer any questions.

Demonstrations - 9:30 am to 5:30 pm daily

Shearing - Daily 10:45 am to 2:45 pm
