# Sheep To Shawl Celebrates 49 Years at the Fair!

The Sheep to Shawl exhibit is located inside the Southwest Dairy Farmer's Dairy Barn. Visitors follow each step in the processing of wool: shearing the sheep, washing and dyeing the wool, spinning and weaving to a finished garment. This is a joint effort of Las Aranas Spinner and Weavers Guild and the Sheep and Wool Producers of New Mexico, greatly aided by friends and supporters from all over New Mexico. A representative from each group is always on hand to answer any questions.

Demonstrations - 9:30 am to 5:30 pm daily

Shearing - Daily 10:45 am to 2:45 pm
