General Information

The New Mexico State Fair Parade, long established as the biggest parade in the state, marshaled and assisted by the Bernalillo County Sheriff's Posse is open to participation by anyone.

This year's parade will leave the SE corner of Expo New Mexico at 8:30 on the morning of Saturday, September 8, 2018. Units will travel on Central Avenue disbanding about 1.5 miles west of the starting point.

Anyone is welcome to enter. Attempts will be made to limit the entries to approximately 200 - meaning the last units in the parade may not leave the formation location until after 10:00 AM.

There is a \$25.00 registration fee.

Applications and the signed waiver must be in the offices of the State Fair by the close of business on August 23, 2019. Shortly thereafter the parade lineup will be determined and then posted on the State Fair website.

Every participant in the parade will receive a one-day courtesy admission to the Fair.

Awards will be presented in a number of categories.

All participants are urged to develop their entries using the theme

"Love Is In The Fair"

Entries are accepted on a first-come basis.

The Governor of New Mexico will be the first entry in the parade immediately after the opening ceremonial units.

Support vehicles for marching units will not be allowed in the parade.

A support person pulling a cooler alongside is ok.

Individuals and entry organizations that don't follow the rules, guidelines or instructions from a parade marshal may be thrown out and/or be prohibited from being in the

parade in the future. The State Fair General Manager will resolve any disputes.

Ultimate responsibility for safety lies with each individual entry. The New Mexico State Fair, its agents and other of the parade's organizing bodies assume no responsibility in connection with, and make no representation as to the safety of any parade entry, in whole or in part, solely by reason of compliance with rules, regulations and/or guidelines for the parade.

The person who applied to be in the parade for an organization is determined to be an adult responsible for all participants following directions and abiding by the guidelines, rules and regulations. This person is encouraged to ensure that minors participating have signed parental permission to participate. Such documents must be available for inspection upon request the morning of the parade.

The parade is going to happen - it's a "**Rain or Shine**" event

Day of Parade

Specific instructions about parade day activities will be provided to accepted participants about August 23, 2019. All entries should check-in with a Parade Marshal upon arrival at their assigned time in order to be directed to the specific staging area.

Bernalillo County Sheriff's Posse members will serve as Parade Marshals and provide guidance and operational support. A Parade Marshal (in uniform and on horseback) will be on duty in each staging area as well as at various locations along the parade route to insure the smooth and orderly progression of the set up and of the parade itself. Marshals will have the authority to remove any entry causing a delay, violating official parade rules or failing to cooperate.

For identification purposes, signs that identify the participant must be placed on the front passenger side of the vehicle or float or carried in a similar position for identification of the judges.

Under no circumstances shall any participant, unit or entry move to a different position

within the parade line-up before or during the parade, except under the direction of a Parade Marshal. Riding participants will not be permitted to jump dismount and remount while the parade is in progress.

Proper unit spacing and parade pace is critical. Parade speed will maintain approximately four (4) feet per second. Voluntary stopping for drill formation, reverse marching by bands or drill teams cannot exceed 45 seconds.

No speeding up, skidding, sudden braking and/or "wheelies".

Vehicle and float drivers must remain with their units until the parade is dispersed. Floats should be ready for a safety inspection by 7:30 AM.
