

The North Carolina Seafood Festival

2019 Pop-Up-In-The-Park

October 4-6, 2019

**SasSea's Island Playground - Martin Luther King Park
Corner of 11th Adjacent to Train Depot**

The North Carolina Seafood Festival would like to invite you to join the North Carolina Seafood Festival for the Pop-Up-In-The Park to celebrate small local boutiques and artist within Carteret County. The Festival has found that we have many local artisans who would benefit greatly by being involved at the Seafood Festival but cannot either afford the higher rent of the standard vendor space or have the ability to produce the inventory required when located in high traffic areas. The SasSea's Playground has always been an area where parents can get out of the congestion of the Festival and take their children to a less crowded area for them to play and participate in activities. We will have limited space adjacent to the Train Depot and SasSea's Island Playground for local artisans and boutique shops that offer unique items that are special to our coastal area.

What a unique area for parents to quietly shop and enjoy the local culture!

The Festival will include this area within normal advertising/social media and encourage each vendor to use your social media outlets to advertise that you will be participating In Pop-Up-In-The-Park

In order to serve you at the highest level, we would like to have the following information reviewed and completed. Once we have your area secured, we will send you more specifics on your entry and parking for the entire weekend. We hope that you will consider participating within this area. Should you have any questions, please do not hesitate to contact the Festival at the number and email listed below. We hope that you will decide to be part of this new and exciting area.

The North Carolina Vendor Committee

252-726-6273

fun@ncseafoodfestival.org

Pop-Up-In-The-Park Hours:

Friday Vendor Move-in 8:00 a.m – 11:00 am – All vehicles must be off street by 11:00 am
Hours 12:00 pm – 7:00 pm
Saturday Hours: 10:00 am – 7:00 pm
Sunday Hours: 11:00 am – 5:00 pm – Vehicles are allowed on street at 6:00 pm

Vendors will not be allowed to dismanttle their tents until closing on Sunday.

What items will you be selling? Please provide pictures of the items you will be selling

Vendor Information

A non-refundable application fee of \$25.00 will be charged per application.

Booths will be sold based on 10' x 10' dimensions. A maximum of 2 booths will be allowed per vendor. Each 10' x 10' area will cost \$100.00

Number of 10' x 10' areas needed: _____

Pictures of your items should be included with the application.

All vendor applications will be reviewed and juried by the Festival Vendor Committee. Each vendor will need to supply their own tents, tables, and chairs. No electrical will be available within this area. Once your booth is set up on Friday, it must stay in place until the Festival closes on Sunday.

Vendor Contact Information:

Booth Name (for listing in advertising): _____

Name of Contact: _____

Address: _____

City: _____ State: _____ Zip Code: _____

Phone: _____ Cell: _____ Fax: _____

Email: _____

North Carolina Sales & Use Tax or Certificate of Registration Number: _____

Date

Festival Policies & Regulations

All vendors must move in on Friday morning from 8:00 am – 11:00 am. NO EXCEPTIONS! Do not attempt to move-in before 8:00 am. If you only need a short amount of time to set-up, please wait until after 9:00 am to begin move-in. This will allow vehicles on the street to dissipate and avoid gridlock. You will be given a map showing the entry point into the Festival within the vendor packet. Board members will be stationed at each block to assist with proper location set-up. All vehicles must be off the streets by 11:00 am. Vehicles not off the streets by 11:00 am will be towed at the vendor's expense. **Vendors who attempt to move in earlier than the designated time will be escorted off Festival grounds and not allowed to return**

1) Vendors are encouraged to bring hand carts to transport additional product to their booth during the weekend.

2) **No booth shall exceed the length requested and approved by the Festival. No booth shall exceed 12 feet in height** – including signage. Vendors are not allowed to set anything up in front, behind, or beside the allocated space. Vendors cannot solicit sales outside their booth space. At no time will the vendor be allowed to impede the flow of traffic. Vendor must take into consideration the tongue length of their vehicle. Failure to not advise the Festival of the correct length of a canteen including tongue length may result in reassigning a vendor to an alternate location or you may be asked to leave the Festival grounds.

3) The NC Seafood Festival will notify the vendor of their tentative booth location by email. The NC Seafood Festival reserves the right to reassign vendor spaces prior to and throughout Festival weekend.

4) Booths may not be moved without permission from the Festival Vendor Committee.

5) Vendors are required to have their booths open until dusk on Friday and Saturday. If you need electrical outlets please reserve on the application and notify the festival by no later than July 20, 2018.

6) **The Festival goes on rain, shine and wind.** We are at the Coast – be prepared for wind. You must bring adequate bucket anchors for your tent. No stakes can be driven into the pavement or ground. We suggest that you lower your tent at night to lessen the chance of wind damage overnight.

7) Vendors must bring their own tables, tents/tarps, chairs, electrical cords, and any other items needed including materials to protect your product from inclement weather.

9) Vendors are responsible for collecting and reporting their own taxes.

10) In the event of inclement weather, you will not be allowed to remove your booth until an official decision is made to close the Festival by the Executive Director and the Board of Directors' Chairperson. However, you may choose to leave your booth until that time.

11) Only one (1) waterfront vehicle pass will be given per exhibitor

12) Power must be paid in advance. You should bring a minimum of 100 ft. consecutive # 12 wire with 3 conductors for each outlet requested. Cords need to be 3 wire and in good condition. Cords that have worn places, splices, and plugs replaced are not allowed. Tampering with the electrical poles/boxes/devices will result in IMMEDIATE dismissal from The North Carolina Seafood Festival with NO REFUND.

13) **All vendors** shall have a five (5) lb. ABC dry chemical extinguisher on hand that is full and has been serviced in the last twelve (12) months with tag of the Service Company or indicate date of purchase within the past 12 months. Your booth will be inspected by the Fire Marshall to determine if you tent meets safety requirements and that your extinguisher is in good working order. Read the attached Fire Marshall's requirements to ensure you fully understand their requirements.

14) No pets, skateboards, bikes, or scooters are allowed within your booth area.

15) Vendor has private liability coverage for their booth or will purchase coverage through Kaliff/Lloyds Insurance offered by the NC Seafood Festival.

- No T-shirts, bottled water, or carbonated drinks may be sold.
- No sound amplification may be used unless agreed to in writing with the NCSF not later than 14 days prior to the Festival.
- No generators will be allowed. This includes both gas and propane. Only power source allowed will be from services contracted through the Seafood Festival office.
- No raffles will be allowed on the Seafood Festival grounds. No coupons may be given out from your booth for any business not directly affiliated with your booth.
- No balloons, silly strings or pop rocks are allowed
- Vendors cannot sublet, assign, donate or trade their space.
- Vendors will be responsible for proper disposal of water/grease at designated drop off points. Any vendor dumping inappropriate materials will be fined and immediately removed from the Festival. Vendors will be notified of drop off locations prior to the Festival.
- The North Carolina Seafood Festival, it's Board, employees, and volunteers and sponsors will not be held responsible for loss or damage before, during, or after the Festival.

REFUNDS: FORCE MAJEURE: Vendor acknowledges and agrees the NC Seafood Festival shall not be obliged to issue refunds under any circumstances on vendor space rental. The NC Seafood Festival is not liable or responsible for delays, cancellation, or postponements of the Festival or events within the Festival due to inclement weather, war, government action, strikes or other matters beyond its control.

By signing this application, you are confirming that you have read and fully understand and agree to the terms within the vendor application, will abide by the rules or risk being removed from the Festival grounds, and that you have appropriate insurance.

Please read the following information and make sure that you understand all regulations prior to move-in of the Festival. Failure to abide by all regulations will cause a delay with booth inspection which may prevent you from being able to serve food at Festival opening or could cause your booth to be permanently closed. Call the Fire Department at 252-726-5040 if you have any questions.

Morehead City Fire Department

4034 Arendell Street
Morehead City, NC 28557

“COMMUNITY BEFORE SELF”

To: All Vendors

The following rules shall be adhered to during setup and operation at any festival or event that is held within the City limits (including the ETJ) of Morehead City.

Propane Gas:

1. No cylinders or tanks shall be used within a tent or a building.
2. Always position cylinders and tanks so that the pressure relief valve points away from areas where points of ignition, tent openings, and where people may gather.
3. Keep cylinders in an upright position at all times. Place on firm ground or footing and secure tanks.
4. Protect and secure all gas tubing and piping from vehicle and foot traffic.
5. **All tanks and cylinders must be a minimum of ten (10) feet from any ignition source.**
6. Use only regulators, valves, piping, fittings, and hose designed for use with propane gas.
7. All thermostatically controlled appliances are to be equipped with safety shutoff controls. Check for proper working order before using.
8. **All cylinders and tanks MUST be plugged when NOT in use.**
9. **All cylinders and tanks shall be checked for leaks before use and after each cylinder or tank is changed. Leak checks shall be done with a soap and water solution.**

Electrical:

1. **Only UL listed equipment shall be used.**
2. Electrical extension cords shall be grounded (with the grounding plug present) OR be “Double Insulated”. The cords must be in good condition, and of proper size for application being used.
3. Protect all electrical extension cords from vehicle and foot traffic. All cords shall be taped or covered to prevent tripping hazards.
4. Devices and electrical cords with “surge protection” are encouraged for all electrical use.
5. GFCI (ground fault circuit interrupter) devices are encouraged (may be required by the building inspector)

Fire Extinguishers:

1. All vendors (regardless of the nature of their booth) shall have a minimum size five (5) lb. ABC dry chemical extinguisher on hand that is full and has been serviced in the last twelve (12) months with tag of the Service Company or if new, indicate date of purchase within the past 12 months.
2. **All vendors that cook with grease or have deep fat fryers shall have a Class K fire extinguisher on hand that is full and has been serviced in the last twelve (12) months with tag of the Service Company.**
3. **All vendors involved in cooking operations (cooking with grease or have deep fat fryers) MUST have BOTH a Class “K” extinguisher and an “ABC” Class extinguisher.**

General precautions:

1. All cylinders and tanks stored or used shall be chained or otherwise secured to prevent them from falling or tipping over.
2. Any Flammable or Combustible liquids (gasoline, diesel, kerosene) used shall be stored in approved containers and be placed a minimum of fifty (50) feet from any heat/ignition sources.

Tents:

1. **ALL tents involved in cooking operations OR are located adjacent to cooking operations must display a flame propagation seal permanently attached to the tent fabric. Exception: Tents NOT involved in cooking operations and are located a minimum of 20 feet from adjacent tents involved in cooking operations and are exempt from the permit requirement (tents less than the minimum square footage requiring permits) will be exempt from the flame propagation requirement.**

2. Tents and membrane structures having an area in excess of 400 square feet (with at least one side enclosed OR ALL tents 700 square feet or larger) and canopies in excess of 400 square feet shall not be erected, operated or maintained for any purpose without first obtaining *approval* and a *permit* from the fire code official.

Exceptions: Fabric canopies open on all sides which comply with all of the following:

- Individual canopies having a maximum size of 700 square feet
- The aggregate area of multiple canopies placed side by side without a fire break clearance of 12 feet, not exceeding 700 square feet
- A minimum clearance of 12 feet to all structures and other tents

3. All tents greater than seven hundred (700) square feet shall have a permit issued prior to being erected.

4. Tents with sides enclosed greater than 400 square feet shall require a permit

5. There shall be a minimum of **five (5)** feet between each tent. (All tents to include those less than seven hundred (700) square feet)

6. Means of Egress:

•Exits shall be spaced at approximately equal intervals around the perimeter of the tent, canopy or membrane structure and located such that all points are 100 feet or less from an exit.

•Number. Tents, canopies, or membrane structures or a usable portion thereof shall have at least one exit and not less than the number of exits required as follows:

Occupant Load	Minimum Number of Means of Egress	Minimum Width of Each Means of Egress (Tent or Canopy) (Membrane Structure)	
10-199	2	72 inches	36 inches
200-499	3	72 inches	72 inches
500-999	4	96 inches	72 inches
1000-1999	5	120 inches	96 inches

•Exit Signs. Exits shall be clearly marked. Exit signs shall be installed at required exit doorways and where otherwise necessary to indicate clearly the direction of egress when the exit serves an occupant load of 50 or more.

•Exit Sign Illumination. Exit signs shall be of an approved self-luminous type or shall be internally or externally illuminated by luminaires.

•Means of egress illumination. Means of egress shall be illuminated with lighting having an intensity of not less than 1 foot-candle at floor level while the structure is occupied

7. Please reference the North Carolina Fire Prevention Code, chapter 24, "Tents, Canopies and other Membrane Structures".

All vendors will be checked for compliance prior to event and activities

All vendors MUST receive an inspection (indicating vendor is approved) by the Fire Dept. with an approved seal affixed on the vendor display placard (issued by the NC Seafood Festival and included within the vendor packet) prior to the start of the Festival.
