Please request numbers from the fair office: [nwsfentry@nwsfa.com](mailto:nwsfentry@nwsfa.com)

**Exhibits and Entry forms due at the fairgrounds by Thursday, June 10<sup>th</sup>.** (In the event the school year is extended we will adjust the due date. Watch our website for info.) Please bring entry forms to fair office. **Exhibits and Premium checks must be picked up Tuesday, July 14th, 2020.** Contact the Entry Department in the Fair Office if you need to make special pick-up arrangements.

1. Each student or teacher may have only one exhibitor number. i.e., BJ Smith=#101, Olivia Doe=#102, etc.
2. Teachers who work in more than one school should get a number from one of the schools they are assigned to and enter all projects under that one number. No teacher can have more than one exhibitor number regardless of how many schools or classes they work in. All rules apply to traveling teachers and teachers with am/pm classes.
3. If an entry is made by a group (5 or more individuals) or consists of work made by more than 5 students, it must be entered under the teacher's name. No teacher will enter more than one entry per "lot" regardless of the number of sections of classes.
4. A student or teacher may only enter one exhibit under each lot number. For example, a teacher may enter one exhibit under Group Language Arts, another under Group Social Studies, etc. at their respective grade levels. Duplicate entries will be disqualified. There is an entry limit for all individual and groups to 10 entries per exhibitor number.
5. Work entered must fit the lot description. For example, if a project is entered under Reading Project, it should clearly reflect the content of a reading project. If it may be hard to interpret its relevance to the category, attach an explanation why it is entered under that lot number. Entries not fitting the lot description will be disqualified.
6. The word "class" refers to grade.
7. Entry blanks should be filled out completely and legibly, with full name, address, teacher, school and grade.
8. Premium checks will be made out to students for individual entries and teachers for group entries. Names are taken from entry forms for the checks; so please be sure name is legible and complete.
9. Attach an entry tag to the front, lower right-hand corner on each exhibit, with student or teacher exhibitor number, class (grade) and entry number written on it.
10. All exhibits must have student's name and school clearly written on the back. (The names will not be visible during judging.)
11. Due to space limitations, maximum size for exhibits is 4' by 4'.

#### PLEASE SHARE THIS WITH YOUR STAFF

Many of the staff of our schools are unaware of the opportunity to enter their student or group projects in the fair. We encourage your participation.

#### WE APPRECIATE YOUR FEEDBACK ON THE CATALOG/PREMIUM BOOK AND THE EXHIBIT

Each year we have people offer suggestions on what they would like to see in the school Premium Book. We listen and try to make this an exhibit you will feel proud to participate in. Your comments help us make decisions for next year's exhibit.

IF YOU HAVE QUESTIONS ABOUT ENTERING, PLEASE E-MAIL US AT [nwsfentry@nwsfa.com](mailto:nwsfentry@nwsfa.com).
