

Event Update

COVID 19 Impact

The Northern Wisconsin State Fairgrounds is closely monitoring the COVID 19 situation and we continue to prepare and plan for the 123rd edition of the Northern Wisconsin State Fair (NWSF). We take the safety of our guests, volunteers, exhibitors, and staff very seriously and will work with public health officials on best practices and guidelines to keep safety as our primary concern. We believe in hope, as a guiding light, that through the next few weeks solutions will be available so we can reunite with each other. At this time, we cannot foresee what the COVID 19 situation will be in July and we are delaying any major decisions until we get closer to our event on July 8th – 12th. For now, please continue social distancing and personal hygiene by washing your hands to protect others.

As of today, April 23rd our Fairgrounds Office will remain closed to walk in service and we ask that you please call the office at 715.723.2861 if you have general questions, need Premium Books or Vendor information for the 2020 NWSF. As we prepare, we are still looking for [volunteers](#) and [paid staff](#). Please see our website under the Fair tab.

Other Fairgrounds Event Announcements:
