AUGUST 26TH...

Time to shop! Clothes, shoes, school supplies, the works! The first day of school, Monday, the 26th of August, and things will probably stay busy for a while after that. Time to get back into the 'homework, supper, bath and off to bed' routine, football on Thursday and Friday nights, Cross Country runners giving their all on Saturday mornings. School makes for busy kids, moms and dads, grandparents and busy communities.

Tuesday, August 6th, the Martin County 4-H Honors Banquet and Ice Cream Freeze off will take place at 6:30, at the community center. This banquet recognizes 4-H'er's for their work and accomplishments throughout the year, and helps raise funds for the coming year. Everyone is invited to join in the fun, and to make some ice cream to be entered in the Freeze Off.

August 9, 10, & 11 will be a free for all across Texas as the Tax Free Weekend takes place. As in previous years, the law exempts most clothing, footwear, school supplies and backpacks priced under \$100 from sales and use taxes, which could save shoppers about \$8 on every \$100 they spend. For example, if a customer purchases a pair of pants that costs \$110, then sales tax is due on the entire \$110.

August 13th will find us downtown at the Martin County Community Center for F.I.E.S.T.A. for a back to school kick-off. F.I.E.S.T.A. (Family Involvement Encourages Students to Achieve) brings teachers, students and families together for a fun filled evening together before school starts.

Senator Kel Seliger will be coming to Stanton Tuesday, the 27th at 3:30, for a town hall meeting at the Martin County Library.

So, it's time to get back into that frame of mind; watching for kiddos walking to and from school. Observing school zone speed limits. Think happy thoughts for our teachers, spending their days in the classroom with 15-20 our children at a time. Get out to some of these events and enjoy time with your neighbors and friends in the community.

BACON, EGG, & TOAST CUP

Ingredients

12 slices bacon
8 eggs
1/2 cup shredded cheddar cheese
pinch of salt
1/4 tsp black pepper

Directions

Preheat oven to 350 degrees. Whip the eggs, salt, pepper and cheese with a fork. Spray non stick spray in 12 muffin tins. Wrap each piece of bacon inside the sides of each muffin cup. Fill each bacon lined muffin cup 3/4 of the way with the egg mixture. Bake for 30-35 minutes, until the egg cups are golden brown and don't jiggle. Use a knife to scoop them out of the tins. Serve immediately. Add other ingredients of your choice to personalize to your taste.

The attitude you have as a parent is what your kids will learn from more than what you tell them. They don't remember what you try to teach them. They remember what you are.
