ENTRY DEADLINE: JUNE 15

BEEF

1. Exhibitors entering open classes in this division should familiarize themselves with the General Rules and Regulations and Livestock Entry Rules of the Ozark Empire Fair before completing entry forms.
2. Exhibitors entering Junior classes should familiarize themselves with Junior Show Rules, General Rules and Livestock Entry Rules before completing entry.
3. Junior shows are open to all youth who are 8 years of age as of July 1, but not over 22 years of age as of July 1. Entries from in-state and out-of-state exhibitors will be accepted in the junior shows of all OEF breeding beef divisions with the exception of the Supreme Beef Heifer Show. To be eligible for the Supreme Beef Heifer Show, the exhibitor's primary residence must be in one of the following counties: Barry, Barton, Bates, Benton, Camden, Cedar, Christian, Dade, Dallas, Douglas, Greene, Henry, Hickory, Howell, Jasper, Laclede, Lawrence, McDonald, Miller, Morgan, Newton, Ozark, Polk, Pulaski, St. Clair, Stone, Taney, Texas, Vernon, Webster and Wright. Entries outside of the counties listed above will be accepted for the junior show and are eligible to compete for grand and reserve grand champion, but they will not be eligible to compete for the Supreme Heifer Awards. Should entries from outside of the counties listed above be selected as grand champion and/or reserve grand champion in a breed, a grand and/or reserve grand champion will be selected from the southwest region that represents the counties listed as eligible to represent such breed in the Supreme Heifer Drive.
4. **There is no cap on the number of breeding beef divisions a junior exhibitor may show in or how many entries they can qualify to compete in the Supreme Drive. However, an exhibitor will only be eligible for one premium in the Supreme Drive. Heifers will be picked until five different exhibitors have been selected to pay premiums. For example, an exhibitor could win Supreme, Third and Fifth but will only be paid for Supreme and additional six, seven, eight or more heifers may have to be selected to find the five exhibitors to pay.**
5. **In order for a beef division to be eligible for the Supreme Drive and Bred & Owned Awards, a \$500 contribution will be required of each breed. This payment is due in the OEF Livestock office on or prior to June 15. The \$500 will be distributed as follows: \$250 will be awarded to the breed grand champion and \$250 will be awarded to the breed's bred and owned grand champion. Breed grand champions must be shown in the Supreme Drive in order to receive the \$250 award. Otherwise the award will be presented to the reserve breed champion. Should a breed's grand champion be selected as a top five female, \$250 will NOT be awarded on top of the supreme winnings. Any exhibitor who resides in the state of Missouri will be eligible for the bred and owned award in each breed, but will not be eligible for the Supreme Drive unless primary residence is in one of the counties listed in #3 above. A breed may elect to contribute \$250 to the bred & owned grand champion and not the \$250 for the breed grand champion and vice versa. However, breeds who elect not to contribute funds to the breed grand champion will not be permitted to compete in the Supreme Drive. In addition, the \$250 bred & owned award will not be presented unless sponsored. Checks should be made payable to the Ozark Empire Fair Foundation.**
6. Entry forms are available at www.ozarkempirefair.com or at the Ozark Empire Fair Office. Entry forms may be photocopied. Enter online at www.ozarkempirefair.com.
7. Each animal must have correct registration papers, health papers, tattoos and/or identifying marks recognized by respective breed associations. These will be checked against the information given on the entry form.
8. **All cattle will be bedded with material provided by the Ozark Empire Fair. NO OTHER BEDDING MATERIAL MAY BE USED. Exhibitors are responsible for their own tie-out bedding.**
9. **SEE SHOW RING CODE OF ETHICS IN LIVESTOCK ENTRY RULES.**
10. Entries close **June 15** and those mailed must be postmarked no later than midnight of this date. Late entries may be accepted through June 25. Entries post-marked after midnight June 15 and through midnight June 25 must be accompanied by the penalty fee of \$25.00 per head in addition to regular fees.
11. Stalls and location in the barns will be designated only by the division superintendent. **Cow/Calf entries must purchase two (2) stalls.**

GROOMING CHUTES: Exhibitors may pay a \$20 charge for a grooming chute space with their stall assignments if room permits. **Please indicate on entry blank if you are paying for a grooming chute space.** Exhibitors who do not choose to pay for a chute space will be allowed to have a grooming chute in the barn or proximity of the barn on show day only. ANGUS | DIVISION 1

Junior Show: 8 a.m., Friday, July 28 - Arena

Open Show: 1 p.m., Saturday, July 29 - Arena

ARRIVAL: Must be in place by noon, Thursday, July 27. No arrival prior to noon, Wednesday, July 26.

RELEASE: 5 p.m., Sunday, July 30.

- The American Angus Association®, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered in individual classes for junior Angus heifers, as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.
- A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.
- Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.
- To be eligible for Association premiums the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.
- Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.
- Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and re-checked at the show.
- Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.
- Only one person at a time shall lead an animal into the show ring.
- *Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 - 810. These rules can be found at www.angus.org.*
- Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the use of chin straps, covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.
- At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.
- All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
- Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

- The American Angus Association®, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered for open class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.
- A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.
- Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on championship or any group classes, (i.e. get-of-sire, junior get-of-sire or breeder six-head).
- Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up.
