The Ozark Empire Fair will assume custody of the Top 8 Steers following the Gold Buckle Gala Auction. The steers will be loaded onto trailers immediately following the Auction and taken to slaughter.

Ozark Empire Fair Rules, Livestock Entry Rules, Junior Show Rules and all portions of the Show Ring Code of Ethics and Conduct apply.

ELIGIBILITY: Entries will only be accepted from exhibitors who are 8 years of age as of July 1, but not over 22 years of age as of July 1, and whose primary residence is in one of the following counties: Barry, Barton, Bates, Benton, Camden, Cedar, Christian, Dade, Dallas, Douglas, Greene, Henry, Hickory, Howell, Jasper, Laclede, Lawrence, McDonald, Miller, Morgan, Newton, Ozark, Polk, Pulaski, St. Clair, Stone, Taney, Texas, Vernon, Webster and Wright. Entries from exhibitors outside of these counties will not be accepted.

NOMINATION & ENTRY: Exhibitors may nominate steers for the show by submitting a DNA sample(s) to the Ozark Empire Fair Livestock Office postmarked by April 15. A processing fee of \$10 per steer must accompany the DNA sample and is nonrefundable. **Full ownership of the animal must be established by April 15.** An exhibitor may nominate five (5) steers, but may only show two (2) animals. Only one (1) steer per exhibitor will be allowed in the sale.

NOMINATION DOES NOT REPRESENT AN ENTRY.

All steers must also be entered into the Ozark Empire Fair on an official entry form with all fees paid as designated on the entry.

Entry Fee is \$50. ENTRY DEADLINE IS JUNE 17.

LATE ENTRY FEE IS \$50 + A LATE ENTRY FEE OF \$50 FOR A TOTAL OF \$100 PER ENTRY, POSTMARKED BY JULY 1

The exhibitor's legal guardian must sign the official Fair entry form. Any entries determined invalid will be returned. No refund will be made.

HEALTH QUALITY ASSURANCE: Each exhibitor will be required to maintain a Health Quality Assurance record on each entry up until the time of exhibition at the Ozark Empire Fair. This form will include all past history on the steer as can best be determined from the time the exhibitor took ownership of the animal, as well as any veterinary treatments administered to the steer up until exhibition. This form must be completed and submitted upon check-in at the Fairgrounds. **All exhibitors must hold a quality assurance certificate for at least one of the four species (beef, swine, lamb, goat) represented at the Gold Buckle Extravaganza.** Certification does not have to be for the same species exhibited. All state recognized programs will be accepted, including Show Me Quality Assurance. **Quality Assurance Certificate must be submitted to the livestock office with a postmark date no later than June 17.**

EAR TAGS: Calves must be identified with an OEF numbered tag provided in the nomination packet. Animals must be individually identified with the tag provided in your DNA packet. The identification on the DNA card must exactly match the identification on the animal entered. Any discrepancies at weigh-in will be the responsibility of the exhibitor and the animal may be disqualified from the show. Should additional DNA testing be allowed (only if approved by show officials and determined on an individual basis), the cost to the exhibitor will be \$150 payable immediately by cash or credit card only.

CHECK-IN: Upon arrival on the Fairgrounds, steers will be weighed to determine classes. Steers will be weighed only once. **Weights between 900 and 1400 lbs. will be eligible.** Steers must have been calved since January 1, 2018. Steers will also be mouthed at this time and must have all temporary incisors in place with no evidence of permanent teeth showing. The Ozark Empire Fair reserves the right to take DNA, urine, blood and tissue samples on any and all animals.

CLASSES: Classes will be broken based on weight with class size to be no larger than 10 head.

FIRST YEAR CLASS: Following the selection of the Top Eight Steers, exhibitors who have never exhibited a market steer at the Gold Buckle Extravaganza are eligible to compete in an additional class: the first year class. This is an exhibition class only with the champion getting a prize. The class is judged based upon the merits of the animal. Exhibitors will still show in their normal weight range class and be eligible to compete for the Top Eight Steers.

FITTING & GROOMING: See Section L (Show Ring Code of Ethics and Conduct) under Livestock Rules found in Administration and General Rules.

SHOW PROCEDURE: Ozark Empire Fair dress code (t-shirts) required. Once class winners are selected, any exhibitor that does not want to sell his/her animal and relinquish all ownership rights, may drop out of the competition and will receive only premium monies determined by their class placing. Exhibitors must declare their intent to participate in the selection of the top eight steers once their class is over. Once exhibitors enter the ring for the champion drive they will no longer be able to pull out of the show and must sell their animal if selected in the top eight.

DNA SAMPLES: DNA samples will be collected on the Top Eight Steers and any other steer or steers as requested by show officials. These samples, along with those submitted in April, will be analyzed. Should DNA samples taken in April, not match those taken during the Fair, exhibitors, parents and guardians may be banned from competing at future Gold Buckle Extravaganzas, Gold Buckle Galas and the Ozark Empire Fair. Additionally, a violation of any published rule may disqualify entries, and premium, sale monies and salvage value will NOT be paid.

DRUG TESTING: Any animal exhibited in a market class must meet withdrawal times and be eligible for processing for human consumption at the time of show. Urine, blood, saliva and/or tissue samples may also be taken from any steer(s) to conduct testing for anabolic steroids, diuretics, caffeine, feed additives or drug residues. A positive test may result in disqualification, forfeiture of any premiums, sale monies and salvage value and may ban the exhibitor, along with immediate family members, from participating in the Ozark Empire Fair for three years. The exhibitor is responsible for the full payment of costs incurred for any positive samples including, but not limited to, the lab fee of \$250.

SHOWMANSHIP: A beef showmanship contest will be held following the Steer show. Two winners will be selected from each of the following age divisions: Junior - 12 years and under; Intermediate - 13 to 16 years, and Senior 17 years and over. Winners will qualify for participation in the Round-Robin Showmanship Contest on Saturday, July 20.

GOLD BUCKLE GALA: Junior exhibitors with animals qualifying and selling in the Gold Buckle Gala must take their own animal through the sale ring. These warranties are absolute guarantees of the quality of the sale animal's carcass without regard to the exhibitor's actual responsibility or fault.

VIOLATION OF PUBLISHED RULES: Exhibitors, immediate family members, parents and guardians may be banned from competing at future Gold Buckle Extravaganzas, Gold Buckle Galas and the Ozark Empire Fair for a violation of the published 2019 Ozark Empire Fair and Gold Buckle Extravaganza rules.
