This form will include all past history on the wether as can best be determined from the time the exhibitor took ownership of the animal, as well as any veterinary treatments administered the lamb up until exhibition. This form must be completed and submitted upon check-in at the Fairgrounds on July 18. **All exhibitors must hold a quality assurance certificate for at least one of the four species (beef, swine, lamb, goat) represented at the Gold Buckle Extravaganza.** Certification does not have to be for the same species exhibited. **EARTAGS:** Goats must be identified with an OEF numbered tag provided in the nomination packet. Animals must be individually identified with the tag provided in your DNA packet. The identification on the DNA card must exactly match the identification on the animal(s) entered. Any discrepancies at weigh-in will be the responsibility of the exhibitor and the animal may be disqualified from the show. Should additional DNA testing be allowed (only if approved by show officials and determined on an individual basis), the cost to the exhibitor will be \$150 payable immediately by cash or credit card only.

**CHECK-IN:** Upon arrival on the Fairgrounds, wethers will be weighed to determine classes. **All wethers competing must not be over one year of age and have milk teeth in place.** The Ozark Empire Fair reserves the right to take DNA, urine, blood and tissue samples on any and all animals. Stalls will be assigned by superintendents.

**FIRST YEAR CLASS:** Following the selection of the Top Three Meat Goats, exhibitors who have never exhibited a wether at the Gold Buckle Extravaganza are eligible to compete in an additional class: the first year class. This is an exhibition class only with the champion getting a prize. The class is judged based upon the merits of the animal. The exhibitor will still show in their weight range class and be eligible to compete for the Top 3 Wethers.

**FITTING AND GROOMING:** See Section L (Show Ring Code of Ethics and Conduct) under Livestock Rules found in Administration and General Rules.

**SHOW PROCEDURE:** Ozark Empire Fair dress code (t-shirts) required. Once class winners are selected, any exhibitor that does not want to sell his/her animal and relinquish all ownership rights, may drop out of the competition and will receive only premium monies determined by their class placing. Exhibitors must declare their intent to participate in the selection of the top 3 wethers once their class is over. Once exhibitors enter the ring for the champion drive they will no longer be able to pull out of the show and must sell their animal if selected in the top 3.

**DNA SAMPLES:** DNA samples will be collected on the Top 3 wethers and any other wethers as requested by show officials. These samples, along with those submitted in May, will be analyzed. Should DNA samples taken in May, not match those taken during the Fair, exhibitors, parents and guardians may be banned from competing at future Gold Buckle Extravaganzas, Gold Buckle Galas and the Ozark Empire Fair. Additionally, a violation of any published rule may disqualify entries, and premium, sale monies and salvage value will NOT be paid.

**DRUG TESTING:** Any animal exhibited in a market class must meet withdrawal times and be eligible for processing for human consumption at the time of show. Urine, blood, saliva and/or tissue samples may also be taken from any goat(s) to conduct testing for anabolic steroids, diuretics, caffeine, feed additives or drug residues. A positive test may result in disqualification, forfeiture of any premiums, sale monies and salvage value and may ban the exhibitor, along with immediate family members, from participating in the Ozark Empire Fair for three years. The exhibitor is responsible for the full payment of costs incurred for any positive samples including, but not limited to, the lab fee of \$250.

**SHOWMANSHIP:** A showmanship contest will be held following the goat show. Two winners will be selected from each of the following age divisions: Junior - 12 years and under; Intermediate - 13 to 16 years, and Senior 17 years and over. Winners will qualify for participation in the Round-Robin Showmanship Contest.

**GOLD BUCKLE GALA:** Junior exhibitors with animals qualifying and selling in the Gold Buckle Gala must take their own animal through the sale ring.
