

Scavenger HUNT

LEVEL TWO

1 **First Impressions**

I'm bold and old, but I'm where stories are told. I'm a window a, a first impression. If you come here I'll answer your question.

2 **Pencil Sharpener**

I'm pretty handy to have around. A mixture of both old and new. You can call me the pencil sharpener carpenter.

3 **Hostess**

I'm a great host and you've probably have come over for dinner. My name was chosen by a competition winner.

4 **Grinch's House**

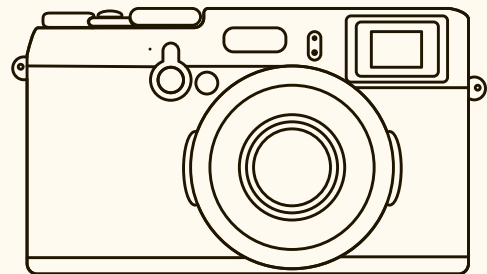

Seated next to lady justice once a year the Grinch causes a ruckus.

5 **A Royall Boat**

Il look like a boat, but I can't float. You could say I'm royalty, but only in Palestine.

6 **Old Mercantile**

I was built in 1885, but I'm known for 1901. I hold my history on the outside and I sell history on the inside.
