

## Pasadena Rodeo Beauty Pageant Competition 2020

### HOW TO WRITE A MASTER OF CEREMONIES SHEET

Master of Ceremonies will be read during western competition for the following age divisions:

- Baby Miss Pasadena Rodeo (3-14 Months)
- Tiny Miss Pasadena Rodeo (15 Months-3 Years)
- Little Miss Pasadena Rodeo (4-5 Years)
- Petite Miss Pasadena Rodeo (6-8 Years)

Note: Only Baby, Tiny, Little and Petite Miss contestants are required to write a Master of Ceremonies.

Be mindful of the age of the contestant. Include where they go to school, their age, their name, activities (in and out of school). Service and involvement in the community are also typically included. Many contestants include their plans for the future (i.e., When Kelly grows up, she would like to be a nurse). For younger girls, important things to include are the names of siblings, pets, favorite foods, favorite activities, favorite TV shows or movies, etc. The amount of time it takes the announcer to read the MC sheet is the amount of time that will be spent on stage. This will allow the judges enough time to properly score the contestant. **Always end the biography with "Thank you, (insert contestant's name)." as this is the cue for the contestant to exit the stage.**

I have added a couple of examples to help you create your own master of ceremonies sheet. These should typically be at least one half page to a full page in length, but for the sake of the made up person, I will just give you a few general ideas of how to write one, and what to include.

PLEASE ENSURE THE MC SHEET IS **TYPED LEGIBLY** as it will greatly benefit the contestant! **THE MC SHEET WILL BE READ EXACTLY AS THEY ARE WRITTEN.** It is appreciated for all MC sheets to be **typed** in Arial 12 point font and double-spaced (see Examples below). **Text messaged, handwritten, or emailed text MC sheets will not be accepted, nor will MC sheets be accepted the day of the pageant.**
