THE PURPOSE OF THE PLANT PRODUCTION PROJECT IS.....

- 1. To acquire an understanding of plant production by preparing for, purchasing, caring for, and keeping records on one or more plants;
- 2. To be able to identify the types and grades of plants and employ efficient methods of marketing;
- 3. To understand the business aspects and economics of plant production and the horticulture industry;
- 4. To properly grow and display plants;
- 5. To develop integrity, sportsmanship, and cooperation; and
- 6. To develop leadership abilities, build character, and assume citizenship responsibilities.

YOUTH PLANT SHOW PROJECT AGREEMENT

My Responsibility

I hereby certify that as the exhibitor of this project, I have personally been responsible for the production of these plants, have personally kept records on this project and have personally completed this record book. I understand that I am responsible for knowing all of the Rules and Regulations for this show.

I ACCEPT THESE RESPONSIBILITIES:

Date Exhibitor Signature

Parent / Guardian Responsibility

I/We, the parents certify that our son/daughter has completed this project and completed this record book and will comply with all of the Rules and Regulations of this show.

Date Parent or Guardian Signature

Advisor / Leader Responsibility

This student is an active member of the _____ 4-H Club and is eligible to exhibit plants at the Pasco County Fair. I verify that this record book has been completed by the student, and is an accurate representation of the project.

Date 4-H Leader Signature
