Purpose

The purpose of a Swine market animal project is to achieve the following:

- To understand the animal industry by purchasing, caring for and keeping records for one or more swine market animals.
- To identify the quality of swine and use efficient methods for production and marketing.
- To understand the business aspects and economics of your swine project.
- To develop integrity, sportsmanship, ethics, showmanship and cooperation.
- To develop leadership abilities and build character and learn responsibility.

Project Information

The start of the project will be the day you receive and start your swine on feed.
The end of the project will be our record book turn in date, February 9th 2020.

My Swine Story – what I learned and accomplished this year!

Write a paragraph, with complete sentences and proper punctuation about your swine project.

Swine Project Photographs

Taking pictures of “**You and Your Swine together**” at the beginning, middle and at the end of your project will show how your animal has grown and developed. Additionally, photos can be included to show how you cared for your swine and how you prepared it for showing at our Pasco County fair.

Photos can show a safety practice, grooming your pig, or how your swine is cared for as examples. Each photo should have a caption describing the event you are photographing with the period of time it is taken. *For example: this photo was taken in October when I bought my pig, or at tag in day in December.*

Project Photos should include a minimum of 4 pictures and a maximum of 8 pictures.

Be sure to include captions that explain your pictures.

Beginning Picture (October), Midway (December), and Ending Picture (February).

Guidelines for Completing Your Record Book
Middle and High School Exhibitors
Hog Record Book
2020 ~ Pasco County Fair

General Guidelines

1. **All record books are to be hand written by the exhibitor.** No typing allowed. Buyer's letters can be typed but buyers do prefer them to be hand written.
2. This record book should be completed in ink. Use either black or blue ink, but be consistent. Erasable pens work well.
3. Take photos of your hog from the beginning, middle and at the end of project. Include yourself in photos. Don't wait until the week before the fair to put everything together.
 - We **do not** want to see photos of you wearing the same clothing with your pig fully grown ready for fair.
4. **If you have two pigs, keep the record book that you will turn in, for one pig ONLY.**
5. **Keep records as your swine project progresses.** Record everything you do along the way, in a "working copy". Then re-write or transfer your information to a Record Book copy that you will submit to the Hog committee on Sunday, February 9th, 2020 for judging.

Page by Page Guidelines

- Page 1 **Exhibitors Information:** Exhibitor signs at end of the project. **Feb. 9th, 2020**
- Page 2 **Project Agreement:** This is an agreement form which must be signed by exhibitor, parent (or) guardian and advisor (or) leader. Please read this form carefully. **Note:** These are to be signed at the **beginning** of the project. *When you start to feed your pig.*
Leader (or) Advisors Signature is to be obtained when you BEGIN your record book.
- Page 3 **Project Information:** Purchase price of animal in **Box 1.**
- Page 4 **Monthly Feed Record:** Add the totals for each month that you spent on feed in the last column and put total cost of feed in **Box 2.**
- Page 5 **Expenses Other Than Feed:** Keep a list of all the fees, supplies and equipment you obtained throughout your entire 2019-2020 swine project. Add the total expenses for each month together and place in **Box 3.**
- Page 6 **Market Swine Project Weight Record:** Calculate the weight of gain by subtracting the starting weight from the final weight, place in **Box C.**
Days on feed will be the day you start your swine project on feed until the day you turn in your record book, place in **Box D.**
2) Divide **(C) by (D)** to get daily weight gain.
3) Divide **(E) by (C)** to get feed efficiency conversion.
4) To calculate, take the feed cost from **Box 2** on page 4 and divide it by **(C)** to get the feed per pound of gain. Answer questions in complete sentences.

- Page 7 **Profit and Loss Summary:** Add Purchase Price (**Box 1**), Feed Cost (**Box 2**) and Other expenses (**Box 3**) for your Total Expenses.
Total Income: (**Market Value @ \$0.54**) & (**Pasco County Hog Sale Price @ \$3.00**).
Final weight multiplied by the market value and Final weight multiplied by the PC Hog Sale amount to get Total Income.
Subtract Total Expenses from Total Income to get Net Profit (or) Loss.
A Loss should always be shown with a minus – in front of the loss amount.
- Page 8 **Questions:** Answer in complete sentences. Answers can be found in your Swine Resource Handbook, provided by Hog Committee. The chapter will be listed to help find your answers.
- Page 9 **My Swine Project Photographs:** Provide FOUR at a minimum, and up to eight pictures as a maximum showing the beginning, middle and end of your project. Include yourself in the photos. **Be sure to include captions that explain the pictures and the time they are taken.**
- Page 10 **Letters – ONLY** include a Copy of completed business letters addressed to **four (4 at a minimum) different buyers. Your 4 Buyers Letters MUST** be included in your 2020 record book,
AT THE TIME OF RECORD BOOK TURN-IN ON FEBRUARY 9TH 2020, BY 4:00PM.
The committee strongly encourages exhibitors to contact NEW prospective buyers. Buyer's letters can be handwritten or typed; however, a survey of the hog buyers showed they prefer legible handwritten Buyer's Letters over typed letters.
