Swine Project Photographs

Taking pictures of “**You and Your swine together**” at the beginning, middle and at the end of your project, will show how your animal has grown and developed. Additionally, photos can be included to show how you cared for your swine and how you prepared it for showing at our Pasco County Fair. Photos can show a safety practice, grooming your pig, or how your swine is cared for.

Each photo should have a caption describing the event you are photographing with the period of time it is taken.

For example: This photo was taken in October when I bought my pig and brought him home. I named him Mr. Pig.

Project Photos should include a minimum of 4 pictures and a maximum of 8 pictures.

Be sure to include captions that explain the pictures.

Beginning picture (October), Midway (December) and Ending Picture (February).

Guidelines for Completing Elementary School (Junior) Exhibitors Hog Record Book For Pasco County Fair

General Guidelines

- 1. All record books are to be hand written by the exhibitor.** No typing allowed.
2. A record book completed in ink is preferred to pencil. Use either black or blue ink but be consistent. Erasable pens work well.
- 3. Keep records as your project progresses.** Record everything you do along the way, in a “working copy” of your record book. Take photos of your hog from the beginning, middle and at the end of project. Include yourself in photos. Don’t wait until the week before the fair to put everything together.
 - We do not want to see photographs of you wearing the same clothing with a fully grown pig ready for the fair.
- 4. If you have two pigs, keep a record book that you will turn in, for one pig ONLY.**

Page by Page Guidelines

- Page 1 **Exhibitors Information:** Signed by exhibitor at **end** of project. Feb. 7, 2021
- Page 2 **Project Agreement:** This is an agreement form which must be signed by exhibitor and parent and advisor or leader. Please read this form carefully. **Note:** These are to be signed at the **beginning** of the project.
- Leader (or) Advisors Signature is to be obtained when you BEGIN your record book.** *This is when the exhibitor starts their pig project.*
- Page 3 **Project Information:** Purchase price of animal in **Box 1.**
- Page 4 **Expenses:** Keep a record of costs of FEED, supplies, etc. that you obtain throughout your entire project. Add the expenses for each month together and place in **Box 2.**
- Page 5 **Profit and Loss Summary:** Add Purchase Price (**Box 1**) on page 3, Expenses (**Box 2**) on page 4 for total expenses.
Total Income: (**Market Value is \$0.54**) & (**Pasco County Hog Sale Price @ \$3.00**)
Final weight multiplied by the market value (and/or) Final Weight multiplied by the PCF Hog Sale amount to get the total income.
Subtract Total Expenses from Total Income to get Net Profit or Loss.
A loss should always be shown with a minus – in front of the amount.
- Page 6-7 **Questions:** Answer in complete sentences. Answers can be found in your Junior Swine Resource Book.

Page 8 **My Swine Project Photographs:** Four to eight pictures showing the beginning, middle and end of your project. Include yourself in some of the photos. Show how you cared for your project. **Be sure to include captions that explain the pictures and the time they are taken.** Give examples of what you're doing, learning or show safety practices.

Page 9 **Letters** - Copies of completed business letters addressed to four (4) different buyers must be presented with the record book.
AT THE TIME OF RECORD BOOK TURN IN ON FEBRUARY 7TH 2021, BY 4:00pm.

Mail the original to a potential buyer and include a copy of your letter in the record book.

The committee strongly encourages exhibitors to contact NEW prospective buyers. Buyer's letters can be handwritten or typed; however, a survey of the hog buyers showed they prefer legible handwritten letters.
