Dear School Scholarship Coordinator and students,

The Happy Canyon Foundation is offering scholarships to individuals attending college. The scholarships will be available to those students who, with their families, have been involved with the Happy Canyon. In addition, other considerations are financial need and scholastic achievement. This scholarship is not limited to graduating high school seniors, but an individual may be eligible to receive it one time only.

Enclosed please find an application form. This may be duplicated. The deadline for return of this application for consideration of this scholarship is **March 31, 2019**.

We would direct your attention particularly to that portion of the application requesting the applicant to submit a **200-300 word essay** as outlined as well as a **resume**. This year we are asking for a photo to accompany the packet to be used for press releases, on our electronic reader board, and any other press we will give our recipients selected. Applications may also be found on our website at <https://www.pendletonroundup.com/p/info/scholarship>

Packets and this application may be returned to:
