

BANNER BANK PENDLETON PBR CLASSIC TICKET POLICY

PBR (Professional Bull Riders) ticket orders can be put on a permanent basis if desired by ticket purchaser. You can do this by contacting the Happy Canyon/Round-Up Office. This entitles those who have placed an order to those seats on a regular basis for future year's shows.

The maximum amount of seats that can be put on a permanent order is six (6), and those same seats must be purchased for each night. To keep an order permanent, seats must be purchased each year. ***You will be sent one billing and payment must be received by the due date or they will be released permanently. Only one billing will be sent out, no notices or second billings will be sent.*** In addition, it will be the responsibility of the order holders to keep the office advised of their current address.

Established permanent orders that are no longer wanted can be cancelled by notifying the office:

Round-Up Association, Inc.
Happy Canyon Company
PO Box 609
Pendleton, OR 97801

Orders may only be transferred to relatives. Any changed to an existing order, including cancellations/additions/corrections, require a letter from the permanent order holder stating the date the order is to be changed, relationship of party to which order is being transferred, and the name and address of the person the order is to be changed to.

In case of death of the permanent order holder, the surviving spouse or personal representative of the deceased's estate must notify the office which relative will become the new permanent order holder.

If a ticket order is in a business name and the business sells or goes out of business, it will be the decision of the boards of directors as to who will receive the order, or if it is to be cancelled.

In a divorce the office must have a letter signed by both parties stating the name the ticket order is to be put under. If this is not done, the order will automatically be cancelled.

The order will be cancelled at any time there is fraudulent use of the tickets or ticket order.

The ticket order holder or a relative designated in writing must purchase tickets by the order holder.

If you wish to increase or change your permanent order, it will be on a first come first served basis based on the date of the request not the original date of the order. Your request will be noted on your order, but it may take time to fill it.

Permanent order holders may resell tickets for face value, as they wish, however, seats not purchased in any year will be released permanently.

All attendees will be required to have a ticket. All children will be charge full admission.
