

PENDLETON ROUND-UP™

WAGON TRAIN

Adventure Awaits!

JUNE 25 - 30, 2018

Relive the adventure of those brave pioneers who blazed the Oregon Trail.

4 daily routes through beautiful Eastern Oregon back country along the Starkey Experimental Research area, and return to a base camp for meals, camping and entertainment. The trails we travel are established Forest Service gravel and dirt roads. We assemble our encampment on Monday and make introductions. Tuesday through Friday we will be on the Trail for approximately 5-6 hours a day and then return to camp to relax and socialize. Saturday morning after breakfast we clean up and disembark for our various destinations.

Authentic western wagons of various types and hitches are pulled by work horses and mules.

Friendly and charismatic teamsters will be your hosts on the trail. Great food, cowboy poetry, auction fundraiser, camp activities for all ages, and a live band on Friday! Daily drawings for prizes. We provide the meals, beverages, refreshments, tents, cots, bedding and supplies. If you have a talent you would like to share at the evening camp, we welcome you with open arms! We also provide conveniences such as fresh water, camp showers and porta-potties.

We will handle the camp set up and transportation to and from encampment.
