#### **Absent:**

Chairman Bartolo called the meeting to order at 8:01am. He requested that a roll call be taken, Quorum present.

#### **Motion to Approve Meeting Minutes of January 15, 2021 Meeting:**

Moved: Commissioner Ruckriegel. Seconded: Commissioner Frausto Aboytes. Passed unanimously by voice vote.

#### **Regular Business:**

Mr. Kenney gave his report to the committee, we are working on gathering scope information on capital projects.

#### **Old Business:**

NONE

#### **New Business:**

Two proposals were received for transfer switch installation. The first proposal is from Oberlander Electric for \$44,125 and the second proposal is from Laser Electric Inc. for \$18,300. We are requesting the committee's recommendation for approval to accept one of two proposals and proceed with transfer switch installation. Due to the discrepancy in proposal amounts, Mr. Kenney will reach out to both companies to confirm amount.

**Motion to approve recommendation up to \$44,125 for transfer switch installation.**  
Moved: Commissioner Roethler. Seconded: Commissioner Ruckriegel. Passed  
unanimously by roll call vote.

Mr. Kenney has also been working on getting a quote from Dewberry for the design work on the boilers as well as the cooling tower. Will bring quote to the committee once received.

**Other:**

Mr. Edgar updated the committee on the DAS system. Insight, the company used for this system, is no longer in business and has been acquired by American Tower. ATT has communicated to us that they are interested in fully funding the system. Will continue to follow up on this.
