Call to Order

The meeting was called to order by Pratima Gandhi at 9:09 am.

Fiscal Year 2020 Preliminary Budget

Danette Snopek presented a full budget packet as requested. For this version, event income did not change, but other income was increased. This was due to a 10% adjustment within advertising sponsorship income. The board was wondering as to how the POV study would come into play. Rik responded that the study will be a 18-24-month process. Beau is currently contacting groups to bring in new business. Also, for this version, actuals for June have been updated as well as the June/July projections. There was much discussion on the presentation of the budget and how there were several inconsistencies in format, making it hard to understand and follow. The committee would like these corrected for next meeting. Also requested by the committee, is a monthly statement of cash flows. They would like to see HRA, JMF, and capital requirements broken out in order to get a better picture.

Adjournment

Paul Digiallonardo made the motion to adjourn at 10:33 a.m. It was second by Jim Scroggins. The motion passed unanimously.
