

Power Wheels Rules

Any child ages 4 to 9 with a Power Wheel can participate in the "Power Wheels" Derby. They must wear approved safety helmets. Bicycle helmet is fine. All Power wheels must remain stock with no added re-enforcements! You may add a rubber tire to the tread area of the power wheel's tire for added traction. Must use one 12 volt battery only and must be mounted secure and covered with rubber mat. Power wheels may be decorated to look like a demo derby car, but may NOT be re-enforced. If child gets out of the power wheel during event, that child is out of the event.

All children must be signed in with a parent at the walk through pit gate. Please arrive early to sign in. You will need to bring PW vehicle with you to sign in. One parent will be allowed on the track with their child during the event. This is a "Timed Event", after time has expired, awards given to all entries.
