SUBSTITUTION REQUESTS JR. EXHIBITORS: A substitution form must be filled out and turned into the livestock office 24 hours prior to the event for approval. NO EXCEPTIONS WILL BE MADE.

BREEDING GOATS: Age 0-3 months class has been removed.

DAIRY GOATS: Dairy goats will not be allowed to leave grounds for nursing purposes. Such milk goats, if entered in show, will be allowed to have kid accompany it. Exhibitors are welcome to use netting, wire or other methods to prevent kids from getting out of pens.

There will be no corrections or additions after the entry deadline is met. If a tattoo is found in the left ear by an RGVLS Rabbit committee during the Jr. Breeding Rabbit sift that is different from that entered in the online system, the rabbit will be disqualified from showing and sifted from the 2021 Jr. Breeding Rabbit Show.

Parking attendants will be on hand to direct traffic to the various parking areas. Vehicles parking in unauthorized areas will be towed away at the expense of the owner. Cars parked in the parking lots should be locked and empty of people.

All trucks, trailers and vehicles of exhibitors, not used daily, must be parked on the auxiliary parking lot which is provided free of charge. The lot is located on the West side of the Show grounds.

STOLEN OR LOST PROPERTY

The Rio Grande Valley Livestock Show will not be responsible for stolen or lost property before, during or after the Show.

SECURITY AND POLICE

Law enforcement officers will be on hand to give assistance if needed. The Livestock Show will not be responsible for lost, damaged or stolen property. The Rio Grande Valley Livestock Show is also not responsible for accidents.

CONCESSION STANDS

All who operate or work in stands of any kind that serve drinks or food must comply fully with local, county and state health department requirements. Concessionaires are responsible for paying all state sales taxes and permit fees.

DELIVERIES

All persons or firms making deliveries to the show grounds must purchase a Commercial Delivery Permit.

Permits will be sold for \$50.00, which entitles the purchaser to one delivery vehicle windshield sticker. This sticker must be affixed to the windshield of the delivery vehicle and will admit the vehicle, driver and one attendant.

Only photographers displaying the badge "Official Photographer" are authorized to operate on the show grounds and to charge exhibitors and others for their services. News Media, Breed Association representatives and other persons may take pictures provided they will not be sold to others.

RETURNED CHECKS

A \$35.00 charge will be made for all checks returned due to insufficient funds, account closed, etc.

SPECIAL NOTICE

It will be considered a favor if visitors will report to the management any mistreatment or extortion practices by an employee of the Livestock Show, concessionaire or carnival. Do not wait until the Show is over to make a complaint but report immediately as then is the time redress can be made.

STATEMENT OF POLICY

Persons, organizations or corporations desiring to present their product or their views may lease space in the areas designed for this purpose by the Management. Such space shall be assigned in accordance with a predetermined plan. Whenever practical, however, each lessee will be given preference in leasing the same space, the following year.

In order to maintain the public areas in a safe, neat and sanitary condition, and to promote a pleasant and carefree atmosphere, no lessee shall conduct any portion of its operations outside the space leased to it. Nor shall any person, group or corporation conduct business, distribute samples or printed material or make any solicitation or presentation of any nature on the Rio Grande Valley Livestock Show grounds except within the areas leased by it. Begging, soliciting, singing or public speaking is strictly prohibited.

The above STATEMENT OF POLICY is an implied condition in every contract or lease agreement and is part of the General Rules and Regulations of the Rio Grande Valley Livestock Show published only in the Premium List.

OBJECTIONABLE EXHIBITS AND DISPLAYS

The Management reserves the right to remove from the grounds, any exhibit, animal, concession, show, sign, banner, advertising matter or merchandise of any kind that may be falsely entered or deemed objectionable, without assigning a reason, and if necessary, to return any money paid for space or stalls, which shall exonerate the Rio Grande Valley Livestock Show from any claim whatsoever on the part of the exhibitor or purchaser.

PARKING PERMITS FOR TRAILERS

Permits will cost \$350.00 each and must be purchased from the Livestock Show Office prior to parking the vehicle. Permits must be affixed to house trailers or other vehicles used for sleeping or living quarters on the Show grounds. No refunds will be made after December 15, 2020.

GATES

The Show will open to visitors beginning at 10:00 a.m. on Thursday March 11, and each day of the Show thereafter from 8:00 a.m. to 12:00 midnight except on Friday and Saturday nights when gates will be open until 1:00 a.m. No one will be allowed on the grounds after 1:00 a.m. other than those holding proper credentials.

GOLF CARTS, MOTORCYCLES, ETC.

No golf carts, three or four-wheelers, or motorcycles will be allowed on Show grounds unless approved by the Show Management.

DOGS

DOGS WILL NOT BE ALLOWED ON THE SHOWGROUNDS because of safety and public health regulations. This rule will be strictly enforced and applies to all exhibitors and their employees, vendors, Rio Grande Valley Livestock Show committee members, volunteers and Show visitors. The only exception is official entries in a sanctioned RGVLS competitive and/or entertainment event or guide dogs for those with sight impairment. Dogs entered in the Pet Show must be removed from the Showgrounds immediately after the show is over.

Testing equipment available is quite sensitive. All exhibitors are urged not to participate in or allow the medication of their animals for any reason whatsoever within at least three weeks of entry or while at the show without express written consent of the Show's General Manager or Official Veterinarian. If an animal of an exhibitor needs medication, the decision to give it or allow it to be given is solely that of the exhibitor regardless of consent or lack thereof from the Show and the effect on the animal of its administration, or lack thereof, is solely the responsibility of the exhibitor. If the medications used to treat the animal are or could be hazardous to humans if consumed, the animal must be removed from the showgrounds immediately. If the animal of an Exhibitor is medicated without the express written consent of the Show's General Manager or Official Veterinarian and it tests positive for the substance administered, the provisions of Rule 1 will apply. These must be displayed to the Sifting Committee at check-in time. No crocks or bowls allowed. Rabbits will not be admitted unless properly functioning spill proof containers accompany the pen.

Each exhibitor will be responsible for feeding and watering their rabbits each day until rabbits are loaded out at the end of the Show. Failure to do so may disqualify the exhibitor

(at the Board's discretion) from showing next year. The rabbit area will be open from 9:00 a.m. till 9:00 p.m. each day. Rabbits must have water at all times and they must be fed by 7:00p.m. each day. THIS RULE WILL BE STRICTLY ENFORCED.

14. The Livestock Show will not be responsible for any rabbits that get sick or die for any reason while on exhibit.
15. No oils, polishes, powders, wipes or other products may be used which would cosmetically alter the rabbit's naturally groomed appearance at the show table or at sifting.
16. Rabbits will be judged in accordance with American Rabbit Breeders' Association's (ARBA) Standard and Guide. Judges will additionally refer to the appropriate Breed Standards, as they deem necessary.
17. Basically, the four judging factors are:
 - A. **GENERAL TYPE** - Look for rabbits that are compact, short and well filled out with rounded solid flesh. Protruding hips, pin bones, back bones (spines), etc. are faults. Look for wide, deep loins, thickness of the hindquarters and well-developed shoulders. Hindquarters are most important. Loin is next and shoulders are third in importance.
 - B. **CONDITION** - Each rabbit should be in prime condition
 - C. **COLOR**
 - D. **FUR**
18. General public and spectators will not be allowed to handle any exhibitor's rabbit at any time during the week of the show. Only the exhibitor, FFA Leader, 4-H Project Leader or parent will be allowed to handle their own individual, club, or chapter's rabbit projects at any time during the week of the show.
19. Exhibitors will be required to display their rabbits at the show tables as directed by the judge. Any exhibitor who places in their class must remain in the rabbit barn until advised to leave. Failure to remain in the area will result forfeiture of any further placing.
20. Each exhibitor will not be limited to the number of entries they can enter in this division but may enter no more than one (1) entry per class. Classes may be combined if necessary.

6. Judges will be allowed to comment on placing in selected classes when conditions permit.
7. Each animal will be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory construction including banding or other appearance change, save only branding,

tattooing, foot trimming or dehorning. Injections of foreign substances internally for cosmetic purposes, steroids, growth hormones or stimulants shall be prohibited. If to the satisfaction of the ABBA's staff, officers, executive committee or board of directors an animal that has had its natural conformation and structure altered or been administered steroids, growth hormones or stimulants; then said animal shall be ruled ineligible to compete until such time the executive committee and owner/owners have reviewed the case. If the Color Committee disagrees with the breeder, the pedigree, features and color of said animal will then be considered on an equally weighed basis to aid in the final determination. The decision of the committee is final.

Once animals have been classified they will remain that classification unless they were young at time of classification and it is apparent that they have changed their color. Any animal that is color classified and is shown at an ABBA Approved Show in another color classification will be in-eligible to show their remaining career.
