Dear Exhibitors,

Like you, we are currently monitoring the COVID-19 pandemic and how it relates to our plans for the Rock County 4-H Fair. As of May 14, 2020, we are still planning to host the fair. It is with certainty that as we prepare, safety and cleanliness are at the forefront of all of our planning.

Please understand that activities and events will most likely look different than in past years. Details on the format for judging and schedules may not be released until as early as mid-June. We do want to keep communicating with you whenever we have updates or changes. **The best way to do this is to post announcements on our website (rockcounty4hfair.com) or our Facebook page. We encourage you to check in regularly at these locations over the next few months as we continue to plan our fair.**

We are currently in the process of contacting our staff, exhibitors, judges, vendors and volunteers to let each group know our plan to move forward with the Rock County 4-H Fair. Our goal is to ensure that the youth of Rock County have the opportunity to showcase their talents and efforts during this time of uncertainty. **Exhibitors must remember that entries are due on June 1, 2020 and must be submitted online via our website at rockcounty4hfair.com.**

Please note that with this message, we are not cancelling any part of the fair (including pre-fair judged events and concerts). We continue to evaluate each aspect of the fair weekly. Updates will be released as additional decisions are made. Most importantly, please understand the decision to cancel any aspect of the fair is not our intent but may be out of our control.

Please be assured that we will continue to monitor the evolving COVID-19 situation, and our top priority is to maintain the health and safety of all of the people that we depend on to make our fair a success as well as continuing to communicate any updates you need to be aware of.

Thank you for your patience and understanding, and please know that we are moving forward with the intention of having another great and safe Rock County 4-H Fair. We hope to see you there!
