#### Junior Division Entrant Eligibility

The Junior Division is divided into three age sections:

Section I - Ages 8 & Under

Section II - Ages 9 – 13

Section III - Ages 14 – 19

January 1, 2020 will be used to determine the contestant's age. All contestants must reside within the City of Harrisonburg or the County of Rockingham.

#### Photo Eligibility

Previous entries exhibited at the Rockingham County Fair are not eligible.

Photos must be the work of the exhibitor

Only one photo per class may be entered. The same subject may not be used more than once in any class.

Entries may be in color or black & white. Except for the Artistic category listed below, *digital enhancements are limited to cropping and basic corrections for exposure, color and contrast.*

Cropping to custom sizes is encouraged such as 5" x 10" or 12" x 6" to enhance the composition of the image.

#### Photo Requirements

**SIZE:** Minimum photo size is 5" in any direction and the maximum photo size 12" in any direction.

**PRESENTATION:** Only one image per entry

**BACKING:** All photos shall be either mounted on foam board or matted.

Mounting photographs on a foam board with permanent adhesive is the most secure way to display your photographs. It is recommended that you make the foam board ½" longer at the top of your picture to allow for space to attach hanging clips. If this space is not provided the clips will have to be placed directly on your print and will leave a mark on your print.

Matted photos will also be accepted. The preferred color of the mat is black or white. All matted prints must be secured to the back of the mat. Wide tape or permanent adhesive is recommended for securing the prints between the mat and backing. **DO NOT USE FOAM TAPE TO TAPE THE PICTURE TO THE BACK OF THE MAT.**

The entrants name and class must be on the back of each entry. In addition, entries in the following classes must also include the following information:

1. Rural Rockingham & Rocktown: location taken
2. Abstract: identify the subject matter
3. Artistic: identify the process or technique used

**HANGING:**

All photos must be ready for hanging. Binder clips and pegboard hooks will be provided.

**Determining Class Eligibility**

1. Class eligibility will be determined by the main subject matter of each photo.
2. *Not all classes are available in all age groups.*
